From the bestselling author of *Going Home*, which Sophie Kinsella hailed as “fabulous,” comes a novel sure to touch and delight anyone who believes in love. Laura Foster is a hopeless romantic. Her friends know it, her parents know it—even Laura acknowledges she lives either with her head in the clouds or buried in a romance novel. It’s proved harmless enough, even if it hasn’t delivered her a real-life dashing hero yet. But when her latest relationship ends in a disaster that costs her friendships, her job, and nearly her sanity, Laura swears off men and hopeless romantic fantasies for good. With her life in tatters around her, Laura agrees to go on vacation with her parents. After a few days of visiting craft shops and touring the stately homes of England, Laura is ready to tear her hair out. And then, while visiting grand Chartley Hall, she crosses paths with Nick, the sexy, rugged estate manager. She finds she shares more than a sense of humor with him—in fact, she starts to think she could fall for him. But is Nick all he seems? Or has Laura got it wrong again? Will she open her heart only to have it broken again?

Knight wanted. Must have shiny armor and own horse, preferably white. When it comes to romance, are magic, fireworks, and a dashing knight in shining Armani really too much to ask? Apparently so, since Kate Hetherington has yet to find an appropriate mate in all of London. Her lifelong friends (and confirmed pragmatists) Sally and Tom tease her endlessly about her hopeless romanticism. But Kate knows that she's right to want her own fairy tale. After stumbling upon an old tome titled *The Hopeless Romantic's Handbook*, Kate decides to give its advice a whirl. Incredibly, the book lives up to its money-back guarantee, because before Kate can say "Cinderella" she meets Joe Rogers, a drop-dead-gorgeous American actor. Frankly, he's perfect—and Kate thinks she might have finally found *The One*. He certainly has the muscles required to sweep her off her feet. But Sal and Tom are less thrilled with Kate's dreamboat. Are they just jealous, or do they know something about love that isn't in Kate's handbook? Kate's pretty sure that finding true love isn't supposed to alienate you from your friends, but what she doesn't know is that her real knight is still waiting for her—and he's closer than

she ever imagined.

The Persian epic that inspired Eric Clapton's unforgettable love song "Layla" and that Lord Byron called "the Romeo and Juliet of the East," in a masterly new translation A Penguin Classic The iconic love story of the Middle East, by a twelfth-century Persian poet who has been compared to Shakespeare for his subtlety, inventiveness, and dramatic force, Layli and Majnun tells of star-crossed lovers whose union is tragically thwarted by their families and whose passion continues to ripple out across the centuries. Theirs is a love that lasts a lifetime, and in Nezami's immortal telling, erotic longing blends with spiritual self-denial in an allegory of Sufi aspiration, as the amenities of civilization give way to the elemental wilderness, desire is sublimated into a mystical renunciation of the physical world, and the soul confronts its essence. This is a tour de force of Persian literature, in a translation that captures the extraordinary power and virtuosity of the original.

Nieuwe editie van 'Het 80/20-principe', de klassieker van Richard Koch waar wereldwijd meer dan een miljoen exemplaren van verkocht zijn. Het 80/20-principe klinkt als een aardige vuistregel, maar het is meer dan dat: het is een wetenschappelijk bewezen principe. Richard Koch toont in dit boek aan dat het 80/20-principe voor organisaties te gebruiken is als analyse-instrument (met welke producten behalen we de hoogste winst?), en op persoonlijk vlak als denkmethode (op welke thema's moet ik focussen, wat zijn de beste oplossingen?). In beide gevallen is het resultaat: betere beslissingen, minder gedoe, meer effectiviteit. Op strategisch niveau, maar ook in je dagelijkse werk. Iedereen, van de CEO tot de professional, kan met dit boek zijn voordeel doen. Het helpt je te kiezen, te beslissen en sneller vooruit te komen. De

Three Lovers. Three lessons. Many Million Dreams Ago defies a typical "romance memoir" by dealing with the deeper consequences of discovering such feelings too early on. Its realism is recounted in three eras of a life gone awry from self-harm, codependency, and casual intimacies. Through the endless pursuits of a hopeless romantic in trying to find his other half, we join him on his journey towards an idyllic destiny.

A tale of a hopeless romantic only to realise his life has been so thoroughly messed up, a life of drugs, gangsters, love and it all going wrong.
