Save a horse... Ruby Grant is dead-broke when she wins an all-inclusive vacation to Paradise Hotel in Wyoming. She can't wait to sip expensive champagne while lounging in a bathtub full of bubbles. To her horror, she discovers "Paradise" is actually Pair-A-Dice Ranch and nothing like the brochure. She's ready to hop on the next plane back to LA, but sexy cowboy Dusty Cassidy offers her an irresistible deal if she'll stay. This may not be the vacation she envisioned, but Dusty is just the man for her needs—whether he knows it or not, he's going to be her first lover. Ride a cowboy... Dusty can't decide if Ruby is an angel in white or the daughter of the devil. Her curves are so dangerously sexy they should be outlawed. All his time and energy belongs to the ranch, so he definitely doesn't need a pretty little city girl tempting him away from his chores. Fortunately, she'll only be on the ranch for a week, so he won't have to worry about any

expectations. But when her vacation comes to an end, will he be able to let her go? Author's confession: Yeehaw! You know by now that I love my tropes. If you love cowboys, Dusty is going to steal your freaking heart faster than he steals Ruby's virginity. If you're tired of billionaires and want a real man hero, this book is for you. It doesn't hurt that, like all my bad boy heroes, he's really a gooey alphasallow on the inside. (If you're one of my "safe read" lovers, you can rest easy. No other woman drama here.)

Four fiercely loyal, sinfully sexy, uber alpha brothers, about to fall head over heels for their leading ladies. In BAD BOYS AFTER DARK: MICK... Amanda Jenner is done being a boring-man magnet and has finally taken control of her love life. As any smart paralegal would, she's researched the hell out of how to seduce a man. She's waxed, primped, and ready to put her newfound skills into action--and a masquerade bar crawl is the perfect venue for her solo coming-out party. Entertainment attorney Mick Bad lives by two hard and fast rules. He never mixes business with pleasure, and he doesn't do relationships, which makes the anonymity of a masquerade bar crawl the perfect place for a onetime hookup. Amanda thinks she's hit the jackpot when she bags a tall, dark, and sinfully delicious masked man--until she discovers the man she's made out with is her off-limits boss. Mick's already crossed a line he can never uncross, and one taste of sweet and sexy Amanda has only whet his appetite. When Mick offers to give Amanda a lesson in seduction--no strings, no regrets, and for goodness' sake, come Monday, no quitting--the tables turn, and Mick's totally unprepared for the lessons this sweet temptress provides. *** BAD BOYS AFTER DARK Mick Dylan Carson Brett More Billionaires After Dark books: WILD BOYS AFTER DARK (Available Now!) Relax and enjoy this steamy second chance forbidden boss and client romance by author Angel Devlin. The first time we met at my father's party, I told movie star Tobias London he could go do something to himself, something anatomically impossible. It wasn't his fault. Just a case of wrong place, wrong time, dramatic family drama occurring. It should have put him off, watching me acting like a brat. But months later I get a text. It's amazing what people will do for a movie star. Except you. I have a feeling you'd make me work for it. You've been on my mind since you left. So what do you say, want to play? Hmm, that decision took me about three seconds. Be bored alone in Bel Air or go play with a hot guy? Hours later I'm on a plane. I'm expecting bedroom fireworks with Toby. What I'm not expecting is to feel a connection... and for Toby to feel it too. But it's a case of bad timing for both of us and, unable to commit to anything beyond those few days, we part company and wait to see if fate brings us back together. Now it's three years later and he's back, hiring my events company to host his party. But things are different, and I have a strict rule I refuse to break—I don't date clients. But maybe Toby is the one exception I can allow myself to make. Can't Go Back - Billionaire Step-brother Romance Alexander Bill grew up on Quackenbush Avenue in Brooklyn. She'd had a provincial childhood, walking the distance between her grandparents' house and home, just three doors away. She'd never wanted for anything and had adored her father, but her dream was to become a teacher and move somewhere out west. If there was one thing that prevented her from dreaming, it was her father. He was a New Yorker through and through and the world beyond New York ceased to exist. He thought Alex would one day marry a nice New York boy and live somewhere in Brooklyn. Alex's mother had left when she was two after falling in love with a guy who predicted that one day "wine would be big." He was right, and they'd settled in northern California and had joined the ranks of the very wealthy. Alex also inherited a stepbrother named Thom that she rarely saw but disliked just the same. When her mother offered her a job in the company business, Alex decided to try it for a year. The salary was great, but the thought of finally seeing the world appealed to her the most. She'd been dreaming of foreign lands her entire life. What she didn't expect was to have to work closely with a stepbrother who had a penchant for

business and an even better penchant for love.

"I'd learned to build up walls - and I couldn't let her see the true me..." Teddy I might have inherited a billion-dollar trust fund, but I'd give it all away in a heartbeat. The military, the money, wasn't a good fit for me - I need my independence. I need my freedom. I definitely don't need a woman constantly hounding and pestering me. But now, I'm stuck with precisely that. Callie Vere, maid of honor to my brother's new bride, is the most annoying, bothersome woman in existence. I'm stuck with her for the next few months - but if she doesn't stop acting so damn cheery, I'll do my best to make her life a living hell. Callie I ought to be thrilled. My best friend is getting married, and I'm helping to plan her wedding - but the groom's brother, Teddy Stone, is a total ass. Stuck-up, teasing, and rude. Someone needs to teach him a lesson in humility. He's actually kind of cute, I'll admit. But he knows it - and he seems to get off on teasing me, first flirting outrageously and then stonewalling. I know he doesn't mean a word he says. We can't get involved together. I know what I want in a man, and Teddy meets zero of those qualifications. He's the absolute opposite of what I want. No matter how tempted I feel to let him sweep me off to bed... A standalone military romance, second in the Stone Brothers series, FOR LOVE OF HONOR forces together two people who are total opposites. Is the age-old saying of "opposites attract" really true? This full novel promises no cheating and a happily ever after ending - you won't be able to put it down!

Flitshandel viel als een bom in de financiële wereld. Binnen een mum van tijd stond de FBI op Wall Street en riep senator John McCain om een onderzoek door het Amerikaanse Congres. Wat maakt Flitshandel zo explosief? Het gaat over supercomputers, geprogrammeerd door de allerslimste en geniaalste nerds, die hierdoor een nanoseconde sneller zijn dan andere computers en zo tientallen miljarden extra verdienen voor hun bazen op de beurs. Is het strafbaar? Is het handelen met voorkennis? En wie is de dupe? Bestsellerauteur Michael Lewis schreef met Flitshandel een waargebeurde thriller van wereldformaat. MICHAEL LEWIS is de grootste nonfictie auteur van Amerika en heeft diverse internationale best sellers op zijn naam staan, waaronder: The Big Short, Moneyball en Liar's Poker. 'Een groot voorbeeld' Jeroen Smit 'Een bom in de financiële wereld. (...) Een topjournalist.' - Matthijs van Nieuwkerk 'Verrukkelijke non-fictie. Als lezer krijg je soms het idee dat je een thriller van John le Carré leest, in plaats van een boek over algoritmen, dark pools en rebate arbitrage. (...) Lewis kan als geen ander laten zien hoe de financiële markten van gezicht zijn veranderd.' - De Groene Amsterdammer 'Met een oerknal staat ook zijn nieuwste werk op de kaart.' - Het Financieele Dagblad 'Dit is wat ik wil. (...) Een groot voorbeeld.' - Jeroen Smit 'Niet veel schrijvers weten een hoorzitting in de senaat te veroorzaken met hun boek. Michael Lewis wel. Zijn explosieve Flash Boys, over de corrupte beurshandel, veroorzaakte dit voorjaar veel opschudding.' - NRC Q 'Flash Boys leest als een spannend jongensboek: met een antiheld, een geheime samenzwering en mysterieuze dark pools. Het is ook nog eens op echte gebeurtenissen gebaseerd. (...) Nog altijd is een enkel ouderwets, spannend geschreven boek in staat de hightechaandelhandel flink op zijn kop te zetten. (...) Het beschrijft op pakkende wijze het fenomeen flitshandel.' - Het Financieele Dagblad In de zomer van 2009 was de lijn een eigen leven gaan leiden. Tweeduizend mannen groeven en boorden de merkwaardige behuizing die de lijn nodig had om te overleven. 205 ploegen van acht man elk, plus allerlei adviseurs en inspecteurs, stonden dagelijks voor dag en dauw op om te bedenken welke explosieven ze nodig hadden om een gat te maken in een onschuldige berg, hoe ze een tunnel konden aanleggen onder een rivierbedding, of hoe ze een geul moesten graven naast een landweg zonder berm. Dat deden ze zonder een alleszins voor de hand liggende vraag te beantwoorden: waarom? De lijn was een buis van hard plastic met een dikte van nog geen vier centimeter en was ontworpen om vierhonderd flinterdunne strengen glas te beschermen. Toch kreeg je het gevoel dat het een levend wezen was, een onderaards reptiel met specifieke behoeften en verlangens. De geul waarin de lijn zou komen te liggen moest kaarsrecht zijn. Er was misschien nog nooit een pad zo compromisloos door de aarde gegraven. De lijn moest een datacentrum in het zuiden van Chicago verbinden met een aandelenbeurs in het noorden van de staat New Jersey. Het was van cruciaal belang dat de hele onderneming geheim zou blijven.

Het best gelezen boek van het jaar: wereldwijd 140 miljoen keer gelezen! Ik ben misschien wel het laatste wat ze wil in haar leven. Maar ze heeft me in haar macht. Zo simpel is het. Ze zeggen dat ze me kapot zal maken... Laat haar dat dan maar doen.

Book 2 – The Actress (A Standalone Billionaire and Actress Erotic Romance Novel) As Jan looked up the address of the hotel nearest LAX, LA's airport. A casting call looking for young female leads had caught her attention from the back of a literary magazine. She was going out on a limb, and it hit her now more than ever how much she was putting on the line to come out LA on the last of her savings as the plane touched down with the sound of squealing tires. When the landing lurched her forward she knew it wasn't just the excitement of a bumpy ride that was making her chest thump. Deep breathes and focused thoughts were something Jan used a lot of the time when she got anxious, it was something that she'd learned back many years ago. Cheerleading had taught Jane a lot, and often times her minds drifted back to the life lessons. Teamwork was something that few people in high school seemed to understand, besides maybe a few of the all star athletes. Jane learned it took others to really excel. She still believed that the individual was important, but she saw them as cogs in a larger framework of other cogs. A person together with other people could construct all kinds of designs and ideas, something that cheerleading manifested with the tight triangle pyramids and graceful kicks that sent their flies flashing. Jan still liked the attention but now acting was the foremost activity on her mind. To her acting represented the perfect fusion of business and pleasure; the ability hold someone's attention and manipulating them into feeling a certain way. Jan was good at it, and she knew it. Agents knew it as well, and her career thus far had been like a rocket—or so it seemed. But something had been bugging her; in the back of the mind she had a reoccurring thought that maybe people kept giving her roles simply because of her looks. Did that mean that they secretly wanted

to sleep with her? She would never know, or so she thought. But it didn't take long to find out. Not too far into her career as an up and coming model she made the switch to extra in rap videos while trying to land more roles as a supporting actress. She was in graduate school at the time and really needed the money, so it didn't take much for her to be able to rationalize her decision. The rap video gigs made her so much money that she didn't have to keep pulling long shifts at the local coffee place. She kept telling herself that she wasn't being viewed as just a sexual object, but then one night she was confronted by three close friends of a celebrity rapper with demands for sex. Jan had walked that night, on that job, but the years of struggling while watching some of the same girls who hadn't refused to spread their legs take off career wise had made her bitter. Jan was determined to be something respectable in life, even though life had been complicated the last few years. She'd split with Hal amidst not being able to help pay the bills when he'd been laid off from the local plant. It had been hard, and she'd had to briefly move back in with her mother. It seemed like so long ago now, when she thought back on it. Almost like it had been grade school stuff. But unlike grade school the crushes she made had never heart her like they did now. WARNING: This collection which contains some very steamy love scenes. It is only appropriate for mature readers age 18+.
