Iedere ouder wil dat zijn kind gelukkig is, en dat het in een veilige omgeving opgroeit tot een gelukkige volwassene. Maar hoe doe je dat? In dit wijze, verstandige en verfrissende boek staat alles wat er in de opvoeding van een kind écht toe doet. Geen praktische tips over slapen, eten, goede manieren of huiswerk, maar helder advies over de essentie van het ouderschap. Op basis van haar rijke ervaring als therapeut, haar wetenschappelijke inzichten en haar persoonlijke ervaringen als ouder, behandelt Philippa Perry de grote vragen van de ouder-kindrelatie, van baby tot tienerjaren. Hoe ga je om met je eigen gevoelens en die van je kind? Hoe zien je gedragingen en patronen eruit? Hoe ga je om met je ouders, je partner, vrienden? Dit boek biedt een brede, verrassende kijk op een diepgaande en gezonde ouder-kindrelatie. Zonder oordelend te zijn, geeft Perry op een even directe als geestige manier inzicht in de invloed van je eigen opvoeding op je ouderschap. Het is een boek vol liefdevol advies over het maken van fouten en het onder ogen zien daarvan - waardoor het uiteindelijk goed zal komen. Philippa Perry is al twintig jaar psychotherapeut en schrijver. Ze is verbonden aan The School of Life. Daarnaast is ze tv- en radiopresentator en werkte ze

mee aan vele documentaires. Ze woont in Londen met haar echtgenoot, de kunstenaar Grayson Perry, met wie ze een volwassen dochter heeft.

Based on decades of research and refinement, the art in this high-contrast board book is completely mesmerizing for newborns--helping them to focus. Babies as young as six weeks old can appreciate the bold shapes and colors in **BABY LOOKS!** and will benefit from hearing a parent's voice, and the bonding that naturally occurs when a loving adult reads to a baby. Receptive language skills develop right from the start, as babies soak in everything they hear, and eventually learn to associate particular sounds with familiar people and things. Hundreds of thousands of parents in Japan have already discovered the power of this little book, and now American parents can too!

Some people think that writing for kids is easy – short books, no big words, non-existent attention spans and then fill in any gaps with pictures. But nothing could be further from the truth. Children are the harshest critics imaginable. Give a grown-up a copy of *Ulysses* to read and they'll pretend to like it just so they don't look stupid. Give a copy to a kid and they'll tell you straight up that it's no good. Writing for children is much harder than writing for adults because it's all about catching their attention and keeping it – whether for five pages or five hundred. And being restricted by theme, vocabulary,

length and a wandering attention span makes things infinitely more complicated. But creating books for children is also one of the most rewarding activities any writer can experience. To kids, stories are everything – they fuel their imaginations and provide endless hours of entertainment.

Faith Foundations from A-Z Your family will love this unique board book! Using colorful, engaging artwork, We Believe introduces little ones to foundational Christian theology, including baptism, communion, the Nicene and Apostles' Creed, the Trinity, and more. Children will delight in the beautiful illustrations as they learn the alphabet and the essentials of Christian faith. You will appreciate the artistic design, theologically sound content, and helping your little one form a firm spiritual foundation built on biblical truth. *** Baby Believer® primers are designed to grow with children, from early infancy through elementary school. In addition to basic Bible theology, Baby Believer® board books are filled with quotations from the Bible, creeds, hymns, church fathers, and other articles of faith to help reinforce the content and provide intellectual handholds for older children who possess a greater capacity for learning and memorization.

This tale is often described as the love child produced by the classic picture books: *Love You Forever* and *Go the F**k to Sleep*. But, unlike the book's Father, this story doesn't contain any curse words, so it's a ton of fun to read to little ones. *Love You to Pieces, Beautiful Monster* is a 34-page picture book that pulls the reader in to the emotional roller coaster ride that is lovingly referred to as: *A Day in the Life of Parenting Young Children*. "Every day you make me crazy, I love you to pieces, Beautiful Monster." From the moment this beautiful monster wakes, the rollercoaster ride begins. From the highest highs to the lowest lows - who is more emotional, the monster or the mother? This story continues to get five-star reviews on Amazon. During a time when parents feel like they are in survival mode, this story is a sweet and funny reminder that they are not alone. Little ones love the repetition and relatable illustrations from their everyday life, while parents gravitate toward the emotional truths of parenthood. Through the humor, this message of love shines through - our babies make us crazy, yet we can't help but love them like crazy. This is a fun read for every parent of babies and toddlers. It includes a touch of loving sarcasm and it's filled with illustrations that even the little monsters will enjoy. It makes a perfect baby shower gift; or a welcomed surprise, mailed to your spouse or friend that is navigating parenting and could use a laugh. But

There is no bigger issue for healthy infants than sleeping through the night. In this simple, straightforward book, Suzy Giordano presents her amazingly effective "Limited- Crying Solution" that will get any baby to sleep for twelve hours at night—and three hours in the day—by the age of twelve weeks old. Giordano is the mother of five children and one of the most sought-after baby sleep specialists in the country. The Washington Post calls her a baby sleep "guru" and "an underground legend in the Washington area for her ability to teach

Council All parents hope to give their children the best possible start in life. Many of them know it's a good idea to read to their children at a very young age, not with the goal of teaching their kids to read, but with the joy of having special time together looking at pictures and playing with words. Carefully chosen books that introduce children to the pleasures of language, simple story structure, and wonderful artwork are the foundation for a future love of books. *Great Books for Babies and Toddlers* is the first book of its kind—a guide to the best age appropriate children's books available. Compiled by Kathleen Odean, former Chair of the Newbery Award Committee, *Great Books for Babies and Toddlers* provides lively annotations for more than five hundred books, divided into two helpful categories: Nursery Rhymes, Fingerplays, and Songs; and Picture-Story Books for the Very Young. With story selections ranging from such classics of children's literature as *Goodnight Moon* and *Where's Spot?* to excellent new books like *How Does a Dinosaur Say Good Night?* and *Buzz!*, *Great Books for Babies and Toddlers* will be more than a cherished guide for parents—it will also be a child's first step in the lifelong adventure of reading.
