

Cousins

Kitty Brown had many adventures when her city cousins visited for the summer. The children were delighted to watch bird nests, to see fish in the stream, and to spot all the fruit and berries of the country. In the midst of the fun many moral lessons were taught. They learned to see God in nature, to overcome selfishness and to complete their Sunday-school lesson. God's providence is honored when everything works out "just right." This is one volume of the four-part Kitty Brown series.

It's spring break, and Max and Chad are thrilled to be in North Platte to visit Carly and Molly for a whole week! Carly can't wait to introduce her cousins to her friend, Kate. Fun, here we come! But, before the fun hardly starts, Aunt Susie and Carly volunteer the whole group to clean out Kate's great-grandma's apartment? Her PINK apartment? Bye-bye fun. This is the Double Cousins we're talking about, though, and as usual, they manage to turn it all into an adventure and a mystery. Buffalo Bill himself gave Kate's Pawnee ancestor a very special wedding present—a necklace that came from the Grand Duke Alexis of Russia. But where is it? And Earl, Slim's old buddy from his train jumping days, sure seems like a nice guy, but will he tempt Slim to go back to that old life? And what about Shelly, Kate's cousin? There's something not quite right there, either. When some money goes missing, they ALL fall under suspicion. Can they find the Russian Jewels, finish the job they've started at Gigi Pinky's, and figure out who the real thief is before it all blows up in their faces? Come join the hijinks and make some new friends along with Max, Carly, Molly, and Chad.

A lively and provocative double biography of first cousins Eleanor Roosevelt and Alice Roosevelt Longworth, two

Access Free Cousins

extraordinary women whose tangled lives provide a sweeping look at the twentieth century. When Theodore Roosevelt became president in 1901, his beautiful and flamboyant daughter was transformed into "Princess Alice," arguably the century's first global celebrity. Thirty-two years later, her first cousin Eleanor moved into the White House as First Lady. Born eight months and twenty blocks apart from each other in New York City, Eleanor and Alice spent a large part of their childhoods together and were far more alike than most historians acknowledge. But their politics and temperaments couldn't have been more distinct. Do-gooder Eleanor was committed to social justice but hated the limelight; acid-tongued Alice, who became the wife of philandering Republican congressman Nicholas Longworth, was an opponent of big government who gained notoriety for her cutting remarks (she famously quipped that dour President Coolidge "looked like he was weaned on a pickle"). While Eleanor revolutionized the role of First Lady with her outspoken passion for human rights, Alice made the most of her insider connections to influence politics, including doing as much to defeat the League of Nations as anyone in elective office. The cousins themselves liked to play up their oil-and-water relationship. "When I think of Frank and Eleanor in the White House I could grind my teeth to powder and blow them out my nose," Alice once said. In the 1930s they even wrote opposing syndicated newspaper columns and embarked on competing nationwide speaking tours. Blood may be thicker than water, but when the family business is politics, winning trumps everything. Vivid, intimate, and stylishly written, *Hissing Cousins* finally sets this relationship center stage, revealing the contentious bond between two political trailblazers who short-circuited the rules of gender and power, each in her own way.

Blaxland traces the shift from ties with the British Empire,

which led Canadian and Australian forces to fight in the Boer War, the two World Wars, and Korea, to their contribution alongside the United States in Afghanistan. Using late twentieth-century concepts of policy, military strategy, operations, and tactics, he reveals that Canada and Australia have had remarkably comparable experiences while supporting their key allies. Although the two nations have at times chosen divergent courses, their paths since the end of the Cold War have largely converged – and closer collaboration could increase their influence and effectiveness and benefit their allies.

Elizabeth Woodville, *The White Queen*(2009), Margaret Beaufort, *The Red Queen*(2010), and Jacquetta, *Lady Rivers, The Rivers Woman*(2011) are the subjects of the first three novels in Philippa Gregory's *Cousins' War* series, and of the three biographical essays in this book. Philippa Gregory and two historians, leading experts in their field who helped Philippa to research the novels, tell the extraordinary 'true' stories of the life of these women who until now have been largely forgotten by history, their background and times, highlighting questions which are raised in the fiction and illuminating the novels. With a foreword by Philippa Gregory - in which Philippa writes revealingly about the differences between history and fiction and examines the gaps in the historical record - and beautifully illustrated with rare portraits, *The Women of the Cousins' War* is an exciting new addition to the Philippa Gregory oeuvre.

The friendship of twelve-year-old cousins Cammy and Elodie is threatened when the family reunion includes two other cousins near their age and Elodie is tempted to drop Cammy for a new companion. Reprint.

World War 2 was a time of disruption and family

Access Free Cousins

separation. In Canada, the extended family came to the rescue, especially for the mothers who were able to take their “fatherless” children to stay with relatives during the school holidays. Disorienting as this was, it was still less severe than the situation overseas, where many children were evacuated to the countryside for safety. It was a lonely and often scary time on both sides of the Atlantic. “Summer Cousins” is an account of that time in Canada. Grandparents will remember this time in history with bittersweet nostalgia, and today’s children will be interested in how life used to be. The episodes are based upon the author’s own life experiences. She wishes to acknowledge the contributions of her siblings for augmenting and jogging her memory.

In this supernatural tale of 'The Cousins', One of the young guards, his two nephews are in the air force and end up being captured by the Taliban in Afghanistan. Cousin Eve and her angels come to the rescue to save the soldiers who were captured, but in a very supernatural way, which then leads the agents of hell in human bodies to give credit for the rescue to Aliens. This diabolical manipulation angers Cousin Eve and she is determined to give credit to the real hero's, the guardian angels.. who during a concert by 'The Cousins' for the soldiers on base. Introduce the soldiers who rescued the soldiers held captive. As they come out beside Cousin Eve, she begins to sing and they begin to march, on a moving floor, to her song. The Cousins, Thompson brothers and bodyguards are quite excited seeing their own guardian angels dressed as soldiers. They are overjoyed to the point of tears. When suddenly the Base

commander seeing the soldiers who rescued the boys, he becomes angry that these soldiers didn't get his permission to go on a rescue mission and demands to see each and every one of those soldiers after the concert. The Thompson's, 'The Cousins and the bodyguards all know who those soldiers are and they all look at the base commander, and become worried what will happen after the concert. Wait until you read what happens after this concert.

“Adventures” happen a long way off to other people, right? Home is safe and boring, right? WRONG – at least when the Double Cousins are around. When Carly and Molly come to Rapid City, South Dakota, to visit Max’s family they expect fun, not the most dangerous adventure yet! Shortly after arriving, Mr. Crosby—the much loved owner of the corner store—shares a story that leaves Max and Carly wondering if they can find out what happened to Mr. Crosby’s nephew, Lee, in the “Flood of ’72”. But then a crisis intervenes and they drop everything to help Mr. Crosby save his store. Some of Mr. Crosby’s oldest friends, a newcomer to town, and their church friends all pitch in, but is it enough? Can they save the store? What will Mr. Crosby do if they can’t? And the old cash register—Mr. Crosby believes it’s the key to everything. Only teamwork and faith will save the store, solve the mystery of Lee Crosby—and see the cousins and Mr. Crosby safely through the most dangerous situation they’ve ever faced. In the process they learn valuable lessons about community, teamwork, and the value of recording history.

Alexander McKenzie is one of the quieter cousins, which is why he suffers in silence over his secret love for his beautiful cousin, Rachel. He needs her but knows he can't have her. So out of his love for his family, he pushes her away, breaking both of their hearts in the process. Rachel McKenzie wasn't born into the McKenzie family; she was adopted into it. She's strong willed and doesn't see why she can't spend the rest of her life with Alexander. Except the constant distance that Alexander has been creating is starting to get to her, so she runs back to college nursing a broken heart. Nothing feels right with the distance between them, and eventually, they're forced back together for Charlotte & Tanner's wedding, where their love turns into something that neither can stop...they're on borrowed time, the clock is ticking down the seconds until their families find out they're Kissing Cousins.

Lydia loved her cousin Samuel, and began a correspondence with him when she was 15 that lasted until they were married seven years later. They tell of her blossoming love and her life in a small English village in Warwickshire. Being a guy, he responded to her love letters with a treatise, *The Marriages of Cousin Germans, Vindicated from the Censures of Unlawfulness, and Inexpediency.*" His text follows her 32 letters, which face pages of explanatory notes. Six cousins from Kansas, Texas, and North Carolina spend part of their summer together with their grandparents in Aiken, South Carolina, and share some unexpected high adventure—from solving some mysterious local ghost legends to helping bring some

bumbling criminals to justice. On the journey, they learn a lot about the local area, a charming Southern town packed with history; make new friends; meet some unforgettable characters; learn valuable life lessons; and build their Christian faith. Oh, and they have a lot of fun along the way! Many of their discoveries occur in Aiken's Hitchcock Woods, the largest privately owned urban forest in the United States. It's in the Woods, with its over 2100 acres of forestland and greater than seventy miles of sandy equestrian trails, that one day, they overhear a trio of thieves, who are hiding out from the authorities and planning their next crime. They realize the thieves are targeting an elderly lady who has become a friend of theirs, and when the local police don't believe their story, they hatch their own plan to catch the "Banditos." The cousins, who really don't believe in ghosts—at least at first—learn of more than one ghost story stemming from The Battle of Aiken during the Civil War and Aiken's "Winter Colony" days in the 19th century. What will they find out about these bumps and thumps in the night? Hang on to the edge of your seat! After a successful outing in the great Jihad of Northern Nigeria of the 1800s in Katsina Sector in which the dominant tribe, the Habe, was routed, a minority Fulani Clan steadfastly holds on to its affinity, its culture and its tradition overwhelmingly assimilating the dominant tribe. But one thing the victorious Clan failed to do was to conquer the language of the vanquished on that they were assimilated. Two centuries later, a boy from the victorious Fulani Clan is puzzled that his Clan has lost its tongue in the process and that has made him restless.
