After dating way too many losers who aren't capable of appreciating her for who she is, she's about ready to resign herself to a life of spinsterhood. Until her insanely rich boss Daniel Thorne comes along with an offer she simply can't refuse. He proposes a marriage of convenience - one that would allow Maddy to live in the lap of luxury for a year, and Mr. Thorne to stay in the country that has become his home. At the end of their arrangement, Maddy will walk away with a cool two million dollars. All she has to do is move into his mansion, put on a convincing show in public, and endure a few INS interviews, for which she will be thoroughly prepped. It's a big risk, but one Maddy might just be willing to take, considering the payoff. At first, it's all business. But when the gentle touches, passionate kisses, and lingering looks they have to give each other in public start spilling over into their private life, Daniel and his devious mind take Maddy to heights of pleasure she's never experienced. And the more she gets to know him, the more she feels that wistful tug in her chest every time he puts his arm around her in public. Before long, she finds herself wishing it were real. As time goes on, Maddy finds herself wondering if two million dollars will be enough to cover the cost of repairing a broken heart. But Mr. Thorne may have yet another secret in store... I Married a Billionaire: Lost and Found When Maddy Thorne agreed to marry her billionaire boss in order to keep him in the country, she never would have guessed they'd actually stay together. But over a year later, she's still happily married to the slightly eccentric, maddeningly attractive Daniel. As he begins to come out of his shell and turn into the figurehead that his growing technology company needs, Maddy finds herself dealing with a whole new set of problems. And despite his newfound openness, he's still keeping secrets. Even from her. But despite her misgivings and the ever-present prattle of journalists, really, Maddy can't complain. Then, a frantic late-night phone call changes everything. Daniel has been accused of illegal insider trading. His assets frozen, he suddenly finds himself at the center of a media circus and a trial under a merciless judge with no way out. Maddy wants to support him, but it seems all Daniel wants to do is crawl back into his shell. In the midst of the chaos, Maddy receives an offer to display her drawings at one of the most influential galleries in the city. Pulled in two directions even as her life crashes down around her, will Maddy allow Daniel to keep pushing her away, or will she find a way to pull him back? I Married a Billionaire: The Prodigal Son Writing billionaire tech mogul Daniel Thorne's official biography is no small task. His wife Maddy isn't quite sure how it fell on her shoulders - but she's not exactly complaining. It's given her a rare opportunity to learn about the details of Daniel's life that he's never shared with her before. After a rocky beginning, their relationship has finally settled into something comforting and secure. After a while, Maddy begins to reconsider her once-staunch decision not to have children. Then, one night, a ghost from Daniel's past appears. His father, believed to be dead, has come back in hopes of repairing their relationship. Daniel is devastated by the years-long deception, and suspicious of his father's motives in reappearing after so much time. Old Mr. Thorne has his reasons for disappearing, but how can he possibly repair a relationship that's been so badly fractured by

distance and lies? Meanwhile, Maddy gets some unexpected news of her own, and she realizes she must find a way to reach her husband and his father, to knit them all together into a family again.

Brides. Continue the adventure in the Warlord Brides universe with growly, protective alien warriors who will do anything for their mates. Warlord's Baby: What to expect when you're expecting an alien's baby. Mercy has been pregnant for-freaking-ever. She's tired and grumpy and ready to get this kid out of her. Of course, being adored by her alien warlord husband is awesome but she hasn't seen her feet in a month. And she can't get over this sneaking suspicion that there's something Paax isn't telling her... Just as Mercy needs Paax the most, tension within the clan pulls them apart. He's nowhere to be found when she goes into labor. Seeran: He never lost control. Responsible for the security of his clan and warlord, he couldn't afford distraction or attachment. Then, on a Terran beach, he stumbled upon a male assaulting a female. The ice that ran through his veins turned to fire. The frightened female is his mate. Whatever control he'd possessed snapped in a moment of recklessness, and he hoped that was all he'd lost. Hazel shouldn't desire the terrifying alien. She'd just escaped a disastrous marriage with a violent man, so how could she fall for a growling soldier who punched first and asked questions later? Why did his arms feel like the safest place in the universe? Her gut said to trust Seeran, but her intuition had failed her so many times before. Rohn: What doesn't kill you makes you stronger. Nakia may have lost a leg during the Invasion, but she's not going to let that keep her from what she wants. And she wants Rohn. She has since the moment the alien warrior rescued her from a collapsed building. But she's afraid he still only perceives her as a damaged, frail human. She wants him to recognize her as so much more, and she won't rest until he understands they belong together. Rohn might be past his prime, but he's not blind. He sees how the other males look at his mate with envy, admiration, and want. They would tempt her away from him, take her for their own, and claim that an old, scarred warrior like him could not satisfy the appetite of a vibrant young female. He'll battle any threat to his mate, friend or foe, and prove himself worthy. Jaxar: Once bitten, twice shy. Vanessa knows what aliens want—babies—and she's not having it. She'll change her name, change her ID chip, and hunker down on a miserable moon on the far side of the galaxy before she gets matched to an alien brute. Again. Jaxar knows that Vanessa is the one for him but he needs time to convince her. With the clock ticking, he'll do anything to claim her reluctant heart. Even steal her. This is the complete series. Accidentally Married to the Billionaire - Part 1 Accidentally Married to the Billionaire - Part 2 Accidentally Married to the Billionaire - Part 3 Description: Billionaire, Brandon Cates is days away from losing everything, from his Fortune 500 company to his huge estate. His only hope is Marjorie Reynolds. The COO had decamped for greener pastures just ahead of a so-called merger. What it was, was an acquisition by a sweeter name. The company would get to keep its moniker and

brand under the umbrella of Power Regions Ltd. Presumably, it would be helmed by a new executive. But Brandon Cates expiration date was coming and the game was about to change. He failed to meet the terms of the will, so his wicked stepmother will take all. Lena Cates has a team of lawyers circling him like vultures as the termination date approaches. To maintain control of the company, Brandon has to be married by his thirtieth birthday. When intoxicated Marjorie Reynolds hears his story at a dance club in Vegas, they scheme and hatch an idea that just might work. Marj cannot believe she has just accepted such an outrageous proposal. But she knows it'll give Brandon the keys back to his billion dollar kingdom. Marj is all about fighting oppression and injustice. She refuses to let Brandon's evil stepmother win, even nicknaming her the Wicked Queen. Because if this wicked queen does win, Marj will be out of a job, too. And she's already sinking in debt. Brandon is confident he has this one in the bag. Or so he thinks... Can Brandon convince his new 'accidental' bride to play along with the charade? Some readers might know Marjorie Reynolds from the book, *The Boss's Son*. She is Britt's best friend at the office. Marj now gets her own three book series. 18+ due sexual situations. This is the complete series. Seduced by my Billionaire Boss - Part 1 Seduced by my Billionaire Boss - Part 2 Seduced by my Billionaire Boss - Part 3 Jenna Harks left Goldman Sachs. Left the two hundred thousand starting salary on the table. She left to make her name with something bigger, better. Even if it did mean starting out as a low-level assistant without recognition or the chance of dental. But when mistaken identity gives Jenna the job of her dreams, she isn't sure what to make of it. She knows she has the skills and determination, that's for sure. So she rises to the challenge. There is Michael Larchwood, younger son of the legendary Abe Larchwood. Second heir to the keys of the castle. He was also a notorious playboy who flirts with Jenna. The thing is, not only does the company have a zero tolerance policy toward inter-office fraternization, but Michael was well known for flouting those rules. At least four women in the last two years were fired after being seen leaving his apartment, and Jenna was in no way interested in making that list. And then there's the serious brother, Thomas Larchwood, who is a brilliant financial tactician and the youngest person ever to be named on Forbes most influential people's list. All that and he was only a few years older than Jenna. The more Michael flirts with Jenna, the more Thomas takes notice. Both brothers are off limits. But one of them will steal her heart. sizzling reads, contemporary crushes, romance and sex, bad boy, billionaire, fake girlfriend, free romance, anthology, boxed set, free box set, romance comedy, romance box sets, romance series, bad boy romance, fake relationship, fake girlfriend, fake romance, pretend girlfriend, pretend relationship, assistant, boss, fake marriage, marriage of convenience, fake wife, fake husband, fake relationship, pretend wife, pretend husband, billionaire romance, billionaire. A brand new firefighter series from USA Today Bestselling Author J.H. Croix! Problem: My ex is marrying my ex-bestie. Plan A: Burn the church down? Plan B: Fake marry my friend. I

haven't seen Archer since fifth grade. When he shows up in our small hometown and offers to marry me, I don't ask many questions. I get to salvage my shredded pride and do him a favor. I only need one thing from him—sell the deal when my ex comes back to town to marry my ex-bestie. Now I'm fake-married to a totally hot guy who needs a wife for *reasons*. I'm way too cynical to fall for anyone, but Archer's hard to resist. He keeps telling me we're just faking it, but trust me when I tell you, there are some things we are not faking. This was never supposed to be real. Until he whispers, fall for me. Archer & Phoebe's story is perfect for readers who love: Marriage of convenience, friends to lovers, slow burn, broody secret billionaire, small town gossip, emotional romance with a dash of angst, plenty of steam and swoon, and a hero with a protective streak a mile wide. *A full-length, standalone romance.
