

Heart Of Love

Filled with encouragement for wives and mothers drawn from the best magazine articles and short works of author Gigi Graham Tchividian, *Currents of the Heart* sensitively addresses women's most basic emotional and spiritual needs. Beautifully designed and warmly written, this collection of intimate inspirational readings helps women respond to daylight-to-darkness tasks and pressures by focusing on the Lord's encouragement and peace. Based on insights gleaned from Gigi's unique life as a wife, mother, grandmother, and daughter of Billy and Ruth Graham, *Currents of the Heart* reaches across generations to help women of all ages, backgrounds, and denominations keep an eternal perspective in the face of life's constant demands. Craft ideas from the heart. A celebration of all things handmade and heartfelt. An inspiring selection featuring crafts as traditional as sewing and cross-stitch, and as diverse as dyeing and three-dimensional wall art.

Based on extensive interviews with 25 women, some just starting relationships, some breaking up, others in stable partnerships, this book gives a fascinating insight into how heterosexual relationships really work.

This timeless classic reveals the freedom and healing that comes from discovering God as the Father, who is eager to meet needs and is ready to give love.

Grounded in John Demartini's much-loved teachings, *The Heart of Love* helps you apply his trail-blazing philosophy and revolutionary understanding of human behavior specifically to your relationships. If you're looking for your soul mate, want to reignite the spark in a longtime relationship; seeking to safeguard your marriage from infidelity; or are committed to creating more authentic friendships, family connections, and business relationships, then this book is for you. This book helps you understand what really drives human behavior in romance, business, and families; and assures you that you can have the kind of relationships you'd love to have, whether they're lasting or brief, intensely intimate or just for fun. Ultimately, this book aims to inspire you to fulfill the true purpose of your relationships: to wake you up to your own wholeness, the divine magnificence present in every human soul. It invites you into the heart of love, which transforms any relationship into one of gratitude and true fulfillment.

Love is something we all need and crave. We feel good when we are in love but have you ever asked why? Like everything else in the Universe, love is energy but not just any kind of energy. It is the energy of creation - the primal spark from which the Universe was formed. *Into the Heart of Love* examines love uses science and spirituality to decode love's true essence and power. Take a journey into the heart of creation, the One Heart, and back to your heart to explore the age-old enigma called love.

THE most ancient special devotion of Christians is doubtless that of the Sacred Heart of Jesus, the Son of God. The holy Sacraments and the other objects of devotion did not yet exist, when the Blessed Virgin Mary found her delight in worshipping the most Sweet Heart of her Jesus; already did Holy Joseph clasp that Heart to his bosom; even then were the Shepherds and the Magi, Simeon and Anna, the Apostles and the Disciples attracted to It and by It: they longed to show to It the affection and love of their hearts. But after Jesus had called upon all men to learn, "that He is meek and humble of Heart;" after He had drawn from the treasury of His Heart that best of all gifts, the Sacrament of the Most Blessed Eucharist; lastly, after He had willed that, upon the Cross, His Heart should be opened, and continue open, as a place of refuge for all; then was devotion to His Divine Heart wonderfully increased. A collection of the writings of Dr. Dietrich F. Seidel, compiled and edited by Dr. Jennifer P. Tanabe. Dietrich Seidel was born in Austria during World War II and trained as a scientist in Vienna. Raised Catholic he later converted to Unificationism and never lost his faith in God, a faith which guided his life and illuminates his work. This selection reflects Dr. Seidel's ability to unify and harmonize even those apparently at odds, such as science and religion and his specialty—married couples in need of counseling. In his writings on marriage and family enrichment readers will find practical advice on improving their relationship with their spouse, child rearing, making God central to their family and finding true love, all presented in an enjoyable and easy to read style. Other articles show a more scholarly form and topic, such as human nature and the love of God. Reflective pieces on his experiences as a Unificationist are also included in this collection.

To the unstudied eye, St. Matthew's gospel can seem a terse narrative, almost a historical document and not the tremendously spiritual (and doctrinal) storehouse that it is. In his third volume of meditations on Matthew (chapters 19-25), Erasmo Leiva continues to show Matthew's prose to be not terse so much as economical--astoundingly so given its depth. The lay reader can derive great profit from reading this. Each short meditation comments on a verse or two, pointing to some facet of the text not immediately apparent, but rich with meaning. Leiva's work is scholarly but eminently approachable by the lay reader. The tone is very much of "taste and see how good the Lord is" and an invitation of "friend, come up higher!." The goal of the book is to help the reader experience the heat of the divine heart and the light of the divine Word. Leiva comments on the Greek text, demonstrating nuances in the text that defy translation. He uses numerous quotes from the Fathers and the Liturgy of the Church to demonstrate the way the Tradition has lived and read the Word of God. His theological reflection vivifies doctrine by seeking its roots in the words and actions of Jesus.

It's easy to get lost in the busyness of every day. But taking a walk and discovering God's presence along the way will bring you back to where you need to be. *The Walking Bible Study*, a series of short readings and meditations, is your field guide to learning more about Scripture as you travel through nature and life. Wherever you walk, take it along with you and follow the paths of God. "Walking changes us; it can transport our spirits from being weighed down by life into the joy of God's presence." - Becca Stevens Each study consists of four sessions. Sessions include prayer, Scripture, Becca's thoughts and stories, questions to think about or discuss, and activities. *The Path of Love* The world was created when God took the two chaotic elements of the universe that do not allow life---the deep and the darkness---and encompassed them into a loving creation that is called Good. The story of Love is rooted in creation and is so powerful that in its culminating act, it rolls the stone away at the break of Easter morning.

Veneration of the Precious Blood of Our Lord Jesus Christ is a devotion as old as our Holy Faith. In "Glories of the Precious Blood," Fr. Max Walz powerfully revisits the seven times that Christ shed His Precious Blood, poignantly reminding us just how much Jesus and His Father love us. These pages readily inspire a devotion to the Precious Blood, and Fr. Walz lays out a number of ways readers can nurture this devotion: through praying the Rosary and chaplets dedicated to the Precious Blood, meditating on the Passion of Our Crucified Savior, and prayerfully dedicating each day of the week to one of the seven different times Christ shed His Blood. "Those who are oppressed by the memory of their sins, diffident about the efficacy of their prayers or doubtful about their salvation, should experience an awakening of confidence through devotion to the Precious Blood." - Fr Max Walz

The Fresh Voices series was inspired by a contest of the same name that identified high school writers interested in composing book-length works for young adults. Working with a professional editor, the young authors spent the summer learning about the book industry and meeting journalists while writing their individual books, both fiction and nonfiction. The four titles in this series represent the first four winners of the contest. Cole Hunter, professional smoke jumper, is changed forever when a wildfire takes the life of his best friend and leaves Cole without hearing. This, however, is just the start of his problems: medical complications lead to marital problems, and soon adultery, self-doubt, and the dissolution of love come to dominate this dramatic novel by a 17-year-old author. Ultimately it is the will of God that retrieves Cole and his wife from their fallen state, revealing the justice of His plan and demonstrating that under God, no sin is too big and no bridge too broken to restore.

Devotion to the Sacred Heart is a powerful little booklet filled with many of the treasures to be found in the veneration of the Sacred Heart of Jesus. Besides containing an explanation of the symbolism found within the Image of the Sacred Heart, it also includes explanations of the 9 First Fridays devotion, known as The Great Promise, the miraculous cure of St. Gemma Galgani as well as many profound exhortations to offer reparation to the Sacred Heart. Authoritative and moving, Our Lord instituted this devotion Himself, saying: " I set neither limit nore measure to My gifts of grace for those who seek them in My heart."

The contents of this book were inspired by different experiences that life brought my way.

The pioneering scholar and author of Food and Faith and Living the Sabbath asserts that Christianity has slid off its rightful foundation, arguing that the faith only makes sense and can only be expressed in a healthy way if it seen as based on love, with a mission of training others in the way of love. It's often said that God is love, yet his message of compassion and caring for others is often overshadowed by the battles dividing us politically, culturally, and religiously. Why does Christianity matter if it isn't about love? asks Duke University professor of Theology and Ecology Norman Wirzba. The Way of Love invites readers to experience Christianity that is centered on love. Extensive theological training cannot replace the way of love that transforms and connects each of us to God and the faith, Wirzba contends. Interweaving illuminating testimonials, historical references, and Scripture, he reveals how love allows us to move into the fullness of life; when we do not love we lose our faith. "To fail to love," he reminds us, "is to lose God."

No one can resist a love letter Love letters are largely a lost and forgotten art. Not long ago suitors used the written word to work magic, and people were swept off their feet by a sweet, sincere note. How to Write a Love Letter teaches us, once again, how to reinvent this most meaningful of arts. In today's rushed, individualistic society, love letters are more potent than ever before. They embody and convey the mysterious, the unexpected, and the most utterly thoughtful. A love letter can be anything--from a brisk, casual E-mail asking a love interest to coffee to a handwritten marriage proposal that will serve as a family treasure always. Fun, flirtatious, intimate, provocative--a love letter can be any and all of these things. Even the simplest letter can cause a stir. Barrie Dolnick and Donald Baack have collected a wide range of letters--from old family keepsakes to casual and proper office E-mails. The authors demonstrate and explain, to both women and men, that writing a love letter is about turning sincere affection or intrigue into a unique, cherishable gesture, no matter how small the occasion or how short and uncomplicated the note. Whether you're shy and have trouble expressing your feelings face to face, or you're a romantic at heart who wants to learn more effective ways to communicate, How to Write a Love Letter is your ultimate inspiration and guide. Go ahead. Fan the flames of a fledgling romance, or tell your husband of forty years that you still adore him as much as you did the day you first married him. Words are sexy, romantic, and wondrous. Letters are legacies. Learn the art today, and improve your life. Julie, My life is starting to become different, even if my days seem the same. And I must confess that it's you who has changed my outlook. You have opened my eyes to some amazing new possibilities. Your touch is so gentle, your kisses are so delicious, and your body is soft when it presses against me. I will forever be filled with a new sense of wonder and joy, because you have shared these things with me. I must confess that in some ways I feel inadequate. Can I match your gentleness? Can I give any feeling as warm and secure as the one you have bestowed on me? You have chosen to show me such strong passion combined with such sweet affection, and I can only hope you feel a glimpse of the same from me. Our time together is very special. There are very few moments that a man knows will linger with him for the rest of his life, and you have already given me many. Thank you for being such an extraordinary part of my life. I hope we will continue this journey together for a long time to come. John

Kahlil Gibran, de auteur van het prachtige boek 'De Profeet', stond op het kruispunt van twee werelden: die van de oosterse mythen uit zijn jeugd en die van de westerse verlichting en tolerantie die hij als kunstenaar omarmde. In Gibrans meesterwerk 'De profeet' worden het oosten en het westen samengebracht en daarmee spreekt hij een enorm lezerspubliek aan. 'De profeet' wordt universeel als Gibrans beste werk beschouwd en verschijnt nu in een fraaie, eigentijdse jubileumeditie. 'Je bent goed wanneer je ernaar streeft van jezelf te geven. Toch ben je niet slecht als je uit bent op gewin. Want als je streeft naar winst ben je niet anders dan een wortel die de aarde vastklampt en zich laat zogen door haar borst. Zeker, de vrucht kan niet tot de wortel zeggen: "Wees als ik, rijp en vol en immer schenkend van je overvloed." Want voor de vrucht is geven een noodzaak, zoals ontvangen een noodzaak voor de wortel is.' – Kahlil Gibran, 'De profeet' Kahlil Gibran (1883-1931) werd geboren in Noord-Libanon. Als jongeman reisde hij naar Europa en Amerika en ontwikkelde zich tot schrijver, filosoof en kunstenaar.

This novel explores human relationships in a Los Angeles of the future, where rich and poor are deeply polarized and where water, food, gas and education cannot be taken for granted.

Arzu Dogan began writing to document her healing journey from an auto-immune illness. She learned, among other things, food was medicine, and she was not living her truth and her purpose. Dogan read self-help books, attended workshops, explored natural medicines and the power of organic food, and adopted mindfulness to "be" and have a more purposeful life. She learned about holistic health and how well-being—both mentally, spiritually, and physically—is all connected and when nurtured, one can live in true harmony with health and inner peace. In *Follow Your Heart*, Dogan tells what it means to follow your heart and tune into your intuition. This guide offers advice and tips on how you can live, eat, and be your truest, healthiest, and highest self, beaming with love and light. Dogan's story offers a true testament to how your heart is the key to expansion and transformation; you just have to follow it.

The three spunky ladies who so charmed readers in *The Ladies of Covington Send Their Love* and *The Gardens of Covington* welcome us back to the small Southern town of Covington, to their quaint white farmhouse with yellow shutters on Cove Road. Life lessons abound throughout *From the Heart of Covington*, as housemates Hannah, Grace, and Amelia continue to surround themselves with love and hope, meeting each new challenge with equanimity and heart and placing their trust in one another as their friendship strengthens and grows. In helping a dear friend and neighbor cope with illness, the ladies develop a deeper mutual compassion and a true appreciation for the softness of heart and toughness of spirit that join them as women. Amelia, feeling strong and adventurous, takes a momentous trip to New York City to further her burgeoning photography career. Grace, kindhearted as ever, becomes involved with a little girl at the local elementary school who may be having terrible problems at home. Meanwhile, Hannah's daughter, Laura, is involved in a tragic accident that has serious consequences for all concerned. With the same compassion and heart readers have already come to know and love, Joan Medlicott once again reveals how life's journeys and challenges only strengthen our loving commitments to family, friends, and loved ones. It's another inspiring message of courage, self-acceptance, and hope.

The work of The Golden Sufi Center is to make available the teachings of the Sufi path. Weaving together dreams and spiritual stories, this "wise, rich, deeply moving, and significant book" (Andrew Harvey) explores the inner journey and the group's role in facilitating it.

Love is the very nature of God. It is the essence of his sanctity. It is the something of his divinity that permeates our very existence. It is through him and in him that creation was given life. By looking upon Christ we see the love of God. By accepting Christ's nature, we come into the truth of that love. God is love. If this book doesn't change your mind, it will still change your heart. Amidst the toils and spoils of the world and the shadow cast by our many grievances, we often forget the joy of dwelling in simple love. Joshua Miller's debut book, *Heart of Love*, explores the wisdom and virtue of being a person of love. Read about love. Love is in this book; it waits for you. This book is a destroyer, a creator, and a healer; for love is all of these. Love will destroy falsehood. It will heal old wounds. And it will create new worlds of goodness and possibility. Come to the siren song of love. Dance in its flow. Let your eyes meet its words. Let your heart embrace the light. This book, this little lantern, will shine into your heart. It will add to that light that is already in you, that transcendent light that pushes the darkness into oblivion. Interweaving unique poetic tones within his wisdom-filled study, Miller takes readers beyond simple surface acceptance and into the cavernous riches found within love. These words are for you. The prime nature of this book is love. It wakes you. It is alive with the spirit of love; may it resound in your soul as you read it.

Having cleared up the doubts she held about her new roommate Haruma, Yoh starts to relax around him. But was he actually behind the stalker incident...? As Yoh assists the university student association on the recommendation of the handsome vice-president, a new danger approaches!

Heart of Love Evolution is a powerful, emotional journey through depression and suicidal thoughts. Depression is born out of life experiences. It is the giving up of hope, the belief that no one cares for you and the thought that suicide is the only way out. But this darkness is also a manifestation of choices made in the spirit world prior to life. Emotional issues fettered to the soul carry forward the torment of past lifetimes and cycles onward. The cycle of submission to that darkness must be broken. We all need hope and to be loved. To love yourself is the one commitment you must make. Author Terezia M. Farkas recounts how after being a caregiver, grief and depression took over her life. She also shows depression as a spiritual journey, a product of past lifetime torment, and choices made in the spirit world prior to life. At times poetic recollection and at times self-help treatise, *Heart of Love* is a portable guide through the most challenging, harmful experience in life.

Into the Heart of God offers warm, personal reflections for daily devotion on the spiritual journey that all of us, in some way or other, must travel to seek God.
