It's the year 2045 and global warming has turned the world into a fireball. Nothing can survive outside and the last humans are confined to the underground.

Recently, scientists have discovered the temperature has been rising at a much faster rate and in one month, the shields that protect the underground oxygen supply will be destroyed. All life will be exterminated! Follow Melissa Mercer, James Wilson, and the President of the New America as they try to save the human race from extinction.

Bilingual Edition English-Portuguese (Portugal) When the neighbor complains, Ruby teases and the kindergarten teacher keeps nagging, Joseph couldn't care less. Frank Sinatra was a close friend of JFK and the Rat Pack – including Eddie – rally round to give Frank moral support. Then comes the news that Sinatra's son, Frank Jr, has been kidnapped. Eddie continues to search for the blackmailer while trying to help Frank get through his second – and intensely more personal – traumatic experience, all of which eventually leads to murder.

Stephen King's #1 national bestseller about a little mining town, Desperation, that many will enter on their way to somewhere else. But getting out is not easy as it would seem... "I see holes like eyes. My mind is full of them." For all intents and purposes, police officer Collie Entragian, chief law enforcement for the small

mining town of Desperation, Nevada, appears to be completely insane. He's taken to stopping vehicles along the desolate Interstate 50 and abducting unwary travelers with various unusual ploys. There's something very wrong here in Desperation...and Officer Entragian is only at the surface of it. The secrets embedded in Desperation's landscape, and the horrifying evil that infects the town like some viral hot zone, are both awesome and terrifying. But one of Entragian's victims, young David Carver, seems to know—and it scares him nearly to death to realize this truth—that the forces being summoned to combat this frightful, maniacal aberration are of equal and opposite intensity.... "A big, serious, scary novel...King is at the top of his game." —Entertainment Weekly "Surreal, tragic, scary...Terror that resonates long after the book is finished." —The Washington Post Book World "Astonishing...[a] deeply moving and enthralling masterpiece!" —Publishers Weekly (starred review)

Mystics in the Street is a fictional Care of the Soul. Carlos Dante is a modern medicine man in the role of a burnt-out psychotherapist. His message is two-fold. On one hand, this is a time in human history in which we have a vast amount of information available to us about the soul, spirit and body; its wounds and potential for healing. On the other, we have never felt less certain about what to do with all that information, much less the latest medication although we've read the top non-fiction literature and the newsworthy medical reports. Mystics in the Street tells a story that suggests a path with heart, through the Information Age. It shares a way to bypass the news reports, radio ads and blurry TV screens. It's modern fishes and loaves. A way of mastery for people where just one word, a poem or a sunrise can become food serving many.

The culture, history, and spirit of the Hispanic Southwest are brought to readers through this fascinating collection of 45 cuentos (stories and legends) from the region. From ancient creation myths of the Aztecs and traditional tales of Spanish colonialists to an eclectic sampling of the work of modern Latino storytellers, this book provides a rich tapestry of both obscure and well-loved stories—religious stories; animal tales; stories of magic, transformation, and wisdom; and chistes (short comic tales). Fifteen tales are also presented in Spanish. The origin and historical development of the stories are examined in an introductory chapter. A discussion of dichos (proverbs) and adivinanzas (riddles) illuminates the larger context of the oral tradition in which the tales have flourished. Lavishly illustrated with pictures of original paintings and sculpture by contemporary Latino artists, this fascinating collection will appeal to children and adults alike and is a must for the multicultural class

Provides an overview of the use and promise of interactive video for use in nursing education. Includes the structure of nursing education, and overview of the nursing education market, and the growing use of microcomputers and interactive video.

Explores the economic pressures on hospitals nursing schools and how interactive video can address them. Also discusses the barriers to implementation.

It's 1961 and Las Vegas is still the place to be. Eddie Gianelli, pit boss at the Sands Casino, now considers the Rat Pack his friends. And this time, his friend Frank Sinatra wants him to help Sammy. Someone has an embarrassing photo of Sammy and wants \$25 grand for it. All Eddie has to do is make the pay-off and collect the photo. Easy, right? But at the rendezvous, in place of a blackmailer, Eddie finds a dead body greeting him instead. Pretty soon Eddie and New York torpedo Jerry Epstein are up to their elbows in bodies. There's a double-cross going on. Could the presence of the Secret Service mean that JFK is somehow involved? In this next installment, the Rat Pack is back in full swing. Celebrity cameos with Buddy Hackett and Marilyn Monroe add to the glamor. It's certain the stars are out, and it's up to Eddie to see that they don't fall from the sky.

Libro bilingüe español-inglés Donde el vecino echa la bronca, Ruby se burla y la profesora de párvulos refunfuña, a Simón le da igual. Menos mal que uno tiene dos orejas: una por donde entra y otra por donde sale. Simón solo escucha a una persona hoy... A Rat Pack Mystery - When a rumour spreads that Frank Sinatra's ex-wife, Hollywood Goddess Ava Gardner, was seen in the Sands Hotel & Casino in a state of distress, sleuth Eddie G. is asked to check it out. Eddie tracks her down to LA, where he finds out that Ava's afraid she did something horrible . . . and it

falls to Eddie to find out exactly what went down. But someone's after Ava who means her harm, and soon he's dodging bullets in Vegas in an attempt to keep Ava - and himself - alive.

These illuminating essays generally follow the chronology of the twentieth-century Spanish poet Luis Cernuda's creative life, beginning with the poet's early surrealist collections and encompassing his last volume of verse, *Desolacion de la quimera* (The disconsolate chimera). The select bibliography includes all significant items of Cernuda criticism of the past forty years.

In one ear and out the other: Joseph decides to stay in his heart and to do what he loves...

The new 'Collins Concise Spanish Dictionary' is based on the latest edition of the 'Collins Spanish Dictionary' and has additional features which will help users speak and write natural, accurate Spanish. Previous ed.: 2002.

Bryson Clifton – a seemingly indifferent, regular high-school student with strangely fractured blue eyes – has no memory of his life before he was six-years-old. When Celeste Witherspoon, a mysterious girl from his forgotten past, re-enters his life to take him back to his real home, Bryson is forced to face something he'd denied all along: he's different. Trapped in a whirlwind of secrets, murders, and the mystery of a kidnapped princess, Bryson and Celeste are forced to revisit their past and re-evaluate what they had believed was right and wrong. Will Bryson be able to rise above the lies that form the foundation of his new life, or will his past be so warped that it breaks him apart?

Las Vegas, 1960. Frank Sinatra, Dean Martin, Sammy Davis Jr., Joey Bishop, and Peter Lawford are the Kings of Cool---the Rat Pack. Ocean's 11 is their first movie together and they have taken Sin City by storm---filming during the day and cavorting onstage at the Sands Casino at night. It's clear not everyone is charmed, however, when Dean begins receiving anonymous threatening letters. Eddie Gianelli, also called Eddie G., is a pit boss at the Sands. After twelve years, he's got the whole town wired. But he's still surprised when Joey Bishop drops by his table and invites him to meet with Frank in the Rat Pack's private steam room. Frank asks Eddie to find out who's been sending the threats, as a favor to him and Dean. Eddie wants to politely decline, but caught between his boss, Jack Entratter's, not-so-subtle nudging and being utterly starstruck by Dino, he agrees to look into it. He gets help from his P.I. best friend and a Jewish torpedo from Brooklyn. A few dead bodies and bruised ribs later, he remembers why he was reluctant. In a city of gamblers, Eddie has become the highest roller of all. The game is murder, and the stakes just may be his own life. Robert J. Randisi, the man Booklist claims "may be the last of the true pulp writers," takes his readers on a vivid, neon-lit tour of back rooms, bars, and famed gambling dens of the desert mirage that was---and still is---Las Vegas. Broads, blackjack, and bourbon flow. Celebrities, from John F. Kennedy to Angie Dickinson, strut in and out of this amazing first in a series that Rat Pack fans and crime fiction lovers will not want to miss.

The topics covered by this pioneering collection of essays range from peninsular Spanish to Latin American literature, from the eleventh to the twentieth centuries, and from the subject of women as portrayed in Hispanic literature to the literature of Hispanic women writers. Some pieces present polemical feminist arguments, other are more traditional. All the contributors use their subject to take new stands on old controversies, ask new questions, and reevaluate important aspects of Hispanic literature. While there is ample evidence in these essays of the

dual archetype in Hispanic literature of women as icon and woman as fallen idol, the collection reaches beyond these stereotypes to more complex sociological and theoretical concerns. Although such research has been abundantly pursued by scholars of English and American literature, it has been notably absent from Hispanic studies. This anthology is a comprehensive introduction to its subject and a stimulus to further work in the area. Contributors: Fernando Alegría Electa Arenal Julianne Burton Alan Deyermond Rosalie Gimeno Harriet Goldberg Estelle Irizarry Kathleen Kish Luis Leal Linda Gould Levine Melveena McKendrick Francine Masiello Beth Miller Elizabeth Ordóñez Rachel Phillips Marcia L. Welles This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1983.
