This carefully crafted ebook: "H. C. McNeile - The Great War Collection: No Man's Land, Mufti, Word of Honour, John Walters, Sergeant Michael Cassidy, The Human Touch, The Finger of Fate, The Lieutenant and Many More" is formatted for your eReader with a functional and detailed table of contents. Herman Cyril McNeile (1888-1937) commonly known as H. C. McNeile or Sapper, was a British soldier and author. Drawing on his experiences in the trenches during the First World War, he started writing short stories and getting them published in the Daily Mail. McNeile's stories are either directly about the war, or contain people whose lives have been shaped by it. His war stories were considered by contemporary audiences as anti-sentimental, realistic depictions of the trenches, and as a "celebration of the qualities of the Old Contemptibles". "No one who has ever given the matter a moment's thought would deny, I suppose, that a regiment without discipline is like a ship without a rudder. True as that fact has always been, it is doubly so now, when men are exposed to mental and physical shocks such as have never before been thought of. The condition of a man's brain after he has sat in a trench and suffered an intensive bombardment for two or three hours can only be described by one word, and that is—numbed. The man becomes half-stunned, dazed; his limbs twitch convulsively and involuntarily; he mutters foolishly—he becomes incoherent. Starting with fright he passes through that stage, passes beyond it into a condition bordering on coma; and when a man is in that condition he is not responsible for his actions. His brain has ceased to work..." - H. C. Set in 1625, "The Three Musketeers" recounts the adventures of a young man named d'Artagnan after he leaves home to travel to Paris, to join the Musketeers of the Guard. Although D'Artagnan is not able to join this elite corps immediately, he befriends the three most formidable musketeers of the age: Athos, Porthos and Aramis and gets involved in affairs of the state and court. Dumas frequently works into the plot various injustices, abuses and absurdities of the old regime, giving the story an additional political aspect at a time when the debate in France between republicans and monarchists was still fierce. The novel Twenty Years After follows events in France during the Fronde, during the childhood reign of Louis XIV. The musketeers are valiant and just in their efforts to protect young Louis XIV and the doomed Charles I from their attackers. The Vicomte de Bragelonne, Louise de la Vallière and The Man in the Iron Mask are set between 1660 and 1667 against the background of the transformation of Louis XIV from child monarch to Sun King. Alexandre Dumas, père (1802-1870) was a French writer whose works have been translated into nearly 100 languages and he is one of the most widely read French authors. Les Rougon-Macquart is the collective title given to a cycle of twenty novels by French writer Émile Zola. Subtitled "Natural and social history of a family under the Second Empire", it follows the life of one family during the Second French Empire (1852–1870). In this tremendous work Zola first and foremost examines the impact of social environment on men and women, by varying the social, economic, political and professional milieu in which each novel takes place. It provides us with a close look at everyday life, gives us a deep insight into important social changes and it shows us the true people's history of the Second Empire. This compelling work borders on psychopathological tragedy, exploring a world in which the act of writing itself is seen as a landscape for the liberation of fantasies, a place where characters create their own existence, emerging into a deformed suffering world.
