Born in Newcastle in 1976, from the age of three, the very people who meant to be looking after and protecting Sarah Forsyth were sexually abusing her. one day, Sarah spotted a newspaper advert for a job in a creche in Amsterdam. Thrilled by the prospect of a fresh start away from Newcastle and all the memories it held, she eagerly signed up. But within minutes of arriving in Amsterdam her life began to fall apart. There was no creche and no job: Sarah was a victim of sex-trafficking. Fed cocaine and cannabis, and forced at gunpoint to work as a prostitute in the red light district of Amsterdam, Sarah was turned from a young innocent English girl into a desperate and terrified crack whore. Riddled with fear about what her pimps would do to her if they caught her trying to run away, it took Sarah almost a year to find the strength to fight back and escape. But, unlike many of the girls that she was forced to live and work beside, she did get away. Sarah Forsyth is a survivor. This is her heart-rending story.

Harriet Ann Jacobs (February 11, 1813 - March 7, 1897) was an American writer, who escaped from the horrors of slavery and became an abolitionist speaker and reformer. Jacobs' single work, *Incidents in the Life of a Slave Girl*, published in 1861 under the pseudonym Linda Brent, was one of the first autobiographical narratives about the struggle for freedom by female slaves and an account of the sexual harassment and abuse they endured.

Harriet Jacobs's slave narrative is remarkable for its candid exposure of the sexual abuse suffered by slaves at the hands of their owners. Her sufferings, and eventual escape to the North, are described in vivid detail. This edition also includes her brother's short memoir, 'A True Tale of Slavery'.

In this volume, Jennifer Fleischner examines the first- and best-known female account of life under, and escape from, slavery -- Harriet Jacobs' autobiography. In her introduction, Fleischner shows how Jacobs used the written word to liberate herself and promote the end of slavery by carefully discussing her sexual exploitation as a slave in ways that would inspire sympathy in -- and not offend -- her Victorian white, middle-class, female audience. An updated introduction explores Jacobs' personal struggles with religion and violent resistance, and connects her narrative to the broader history of the anti-slavery movement in the United States. The rich collection of related documents that accompany Jacobs' complete narrative features three new sources, including the will of Jacobs' owner Margaret Horniblow, the

abolitionist emblem, and the original title page of *Incidents in the Life of a Slave Girl*. Updated document head notes, chronology, questions for consideration, selected bibliography, and index provide students with a valuable framework for understanding this period in United States history. Available in print and e-book formats.

This Prestwick House Literary Touchstone Classic includes a glossary and reader's notes to help the modern reader appreciate Jacobs' perspectives and language. DRIVEN BY THE HORRORS of slavery and fear of a predatory master, Harriet Jacobs, a young black woman, makes the fateful, life-altering decision to escape. Long thought to be the work of a white writer, *Incidents in the Life of a Slave Girl* is the captivating and terrifying story of Jacobs' daily life on a plantation in North Carolina, her seven years of hiding, and her ultimate triumph. Jacobs wrote her autobiography in 1861, under a pseudonym to protect the lives of the friends and family she left behind, and the work had been essentially lost until the mid-twentieth century. Now recognized as a classic, unflinching portrait of slave life, *Incidents* exposes slavery on a level comparable only to that of *Narrative of the Life of Frederick Douglass*.

one of the most compelling accounts of slavery and one of the most unique of the one hundred or so slave narratives -- mostly written by men -- published before the Civil War. The child and grandchild of slaves -- and therefore forbidden by law to read and write -- Harriet Jacobs was defiant in her efforts to gain freedom and to document her experience in bondage. She suffered physical and sexual abuse at the hands of her master at the age of eleven. In 1842, she fled North and joined a circle of abolitionists that worked for Frederick Douglass's newspaper. In 1863, she and her daughter moved to Alexandria, Virginia, where they organized medical care for Civil War victims and established the Jacobs Free School.

De negentienjarige Engelse Sarah Forsyth werkt op een crèche in een provinciestedje. Op een dag ziet ze een advertentie: leidsters gezocht voor kinderdagverblijf in Amsterdam. Ze is wel toe aan wat avontuur en reageert onmiddellijk. Na een serieuze sollicitatieprocedure wordt ze aangenomen. Het lijkt wel een droom. Die droom verandert in een nachtmerrie op het moment dat Sarah op Schiphol aankomt. De mensen die haar ophalen duwen haar in een auto, nemen onder bedreiging haar paspoort af en rijden regelrecht naar de Amsterdamse Wallen. Daar wordt ze zonder pardon achter het raam gezet. Haar ontvoerders laten er geen misverstand over bestaan: als ze probeert te ontsnappen, zal dat haar dood worden. Anderhalf jaar lang ondergaat Sarah de meest vreselijke vernederingen, tot ze uiteindelijk dankzij puur geluk een onbewaakt ogenblik vindt om te ontsnappen.

The slave narrative has become a crucial genre within African American literary studies and an invaluable record of the experience and history of slavery in the United States. This Companion examines the slave narrative's relation to British and American abolitionism, Anglo-American literary traditions such as autobiography and sentimental literature, and the larger African American literary tradition. Special attention is paid to leading exponents of the genre such as Olaudah Equiano, Frederick Douglass and Harriet Jacobs, as well as many other, less well known examples. Further essays explore the rediscovery of the slave narrative and its subsequent critical reception, as well as the uses to

which the genre is put by modern authors such as Toni Morrison. With its chronology and guide to further reading, the Companion provides both an easy entry point for students new to the subject and comprehensive coverage and original insights for scholars in the field. A collection of fictional letters retells the life of Harriet Ann Jacobs, a young slave who escaped in the 1840s and became a published author.

The "fascinating . . . lively" story of the Russian slave girl Roxelana, who rose from concubine to become the only queen of the Ottoman empire (New York Times). In *Empress of the East*, historian Leslie Peirce tells the remarkable story of a Christian slave girl, Roxelana, who was abducted by slave traders from her Ruthenian homeland and brought to the harem of Sultan Suleyman the Magnificent in Istanbul. Suleyman became besotted with her and foreswore all other concubines. Then, in an unprecedented step, he freed her and married her. The bold and canny Roxelana soon became a shrewd diplomat and philanthropist, who helped Suleyman keep pace with a changing world in which women, from Isabella of Hungary to Catherine de Medici, increasingly held the reins of power. Until now Roxelana has been seen as a seductress who brought ruin to the empire, but in *Empress of the East*, Peirce reveals the true history of an elusive figure who transformed the Ottoman harem into an institution of imperial rule.
