Schaefer, Sociology: A Brief Introduction, 7th Canadian Edition provides students with the tools they need to successfully navigate in today's social world. The new edition offers a Canadian perspective within a global context, allowing students to examine the place of themselves and others in society. The new edition has been completely updated with the Canadian student in mind. Students will engage with content that features relevant social topics, diverse examples, and the latest Canadian statistics, research and data. This resource is ideal for degree and diploma level Introductory Sociology courses, or for any learner eager to explore the study of social worlds.

For courses in Race and Ethnic Relations Highlight the changing dynamics of the U.S. population Revel(TM) Racial and Ethnic Groups helps students view race and ethnic relations in a sociohistorical context, so they can understand the past and see how to shape the future. Author Richard Schaefer's narrative is driven by engaging first-person accounts that illuminate the changing dynamics of the U.S. population, and reveal the stories behind these changes. In addition to thoroughly updated data and contemporary topics, the 15th Edition offers new Relations Across Boundaries features that focus on interactions between different groups.

The new edition of Sociology helps students take Sociology with them on campus, in their careers, and in their communities. While still maintaining its well-balanced coverage of the 3 perspectives, this new revision has a strong focus on encouraging students to think about their world with a sociological imagination. Through its strong coverage of globalization, race and ethnicity, careers in sociology, and current topics like mass media and social policy, Sociology provides students with knowledge they can use at school, at work, in their neighborhoods, and in the global community.

Overview: The ninth edition of Richard T. Schaefer's *Sociology: A Brief Introduction* provides students with a comprehensive, up-to-date presentation of sociology. Students learn to think critically about society and their own lives from a wide range of classical and contemporary perspectives. Combining balanced coverage of theory with current research findings, examples that students can relate to, and abundant learning aids and exercises, the new edition continues to encourage the development of sociological imagination. New to the edition is the inclusion of an adaptive diagnostic tool and interactive activities to help students master key concepts.

stories behind these changes. Incorporating the latest statistics and data, *Racial and Ethnic Groups* enables educators to stay current in this ever-changing area of study. Also available with MySocLab MySocLab for the Race and Ethnicity course extends learning online, engaging students and improving results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. And the Writing Space helps educators develop and assess concept mastery and critical thinking through writing, quickly and easily. Please note: this version of MySocLab does not include an eText. *Racial and Ethnic Groups*, Fourteenth Edition is also available via REVEL(tm), an immersive learning experience designed for the way today's students read, think, and learn. Learn more.

Three basic premises guide this highly successful introductory text - first that theory and research must be both comprehensive and clear, second that the text must show how sociology is relevant both to the study of society and to students' lives, and third that sociology can play a valuable role in teaching critical thinking skills. To that end, this solid, well-respected text combines a balanced three-perspective approach with excellent student-oriented examples, and distinctive social policy sections in a concise presentation that offers an alternative to full-length books.

The 2nd Canadian edition of *Sociology* will build on the 1st edition's reputation of being the most balanced, comprehensive text on the market. Edith Smith brings expertise in the feminist perspective, covering the perspective in 18 of the 22 chapters. With the addition of a dynamic author in Jana Grekul, who has breathed new life into the pedagogical program, and with a new streamlined design, Schaefer/Smith/Grekul is a means to help students see sociology as an experience. Features including Social Policy

This three volume reference set offers a comprehensive look at the roles race and ethnicity play in society and in our daily lives. General readers, students, and scholars alike will appreciate the informative coverage of intergroup relations in the United States and the comparative examination of race and ethnicity worldwide. These volumes offer a foundation to understanding as well as researching racial and ethnic diversity from a multidisciplinary perspective. Over a hundred racial and ethnic groups are described, with additional thematic essays offering insight into broad topics that cut across group boundaries and which impact on society. The encyclopedia has alphabetically arranged author-signed essays with references to guide further reading. Numerous cross-references aid the reader to explore beyond specific entries, reflecting the interdependent nature of race and ethnicity operating in society. The text is supplemented by photographs, tables, figures and

Sociology: A Brief Introduction encourages students to take sociology with them in their everyday lives, just as Rick keeps a small notebook of daily sociological events. In Sociology brief, instructors get the most trusted content in manageable form. This, coupled with powerful digital learning tools, makes Sociology brief an ideal choice for your introductory course.

For courses in Race and Ethnic Relations Highlight the changing dynamics of the U.S. population Revel(TM) Racial and Ethnic Groups helps students view race and ethnic relations in a sociohistorical context, so they can understand the past and see how to shape the future. Author Richard Schaefer's narrative is driven by engaging first-person accounts that illuminate the changing dynamics of the U.S. population, and reveal the stories behind these changes. In addition to thoroughly updated data and contemporary topics, the 15th Edition offers new Relations Across Boundaries features that focus on interactions between different groups. traditional textbook. NOTE: Revel is a fully digital delivery of Pearson content. This ISBN is for the standalone Revel access card. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use Revel.

Like its predecessors, the fifth edition of this concise text reflects Rick Schaefer's mission to bring readers a comprehensive, up-to-date presentation that teaches them how to think critically about society and their own lives from a wide range of classical and contemporary perspectives. Combining balanced coverage of theory with current research findings, distinctive social policy sections, examples and issues of interest to students, and abundant learning aids and exercises, this text will help students develop a sociological imagination. "In the aftermath of September 11, 2001, sociology has been called on to explain the social consequences of the attacks.... The introductory sociology class provides the ideal laboratory in which to study our own society and those of our global neighbors. Sociology can help students to better understand the workings of their own lives as well as of their society and other cultures."-- Richard T. Schaefer
