'Girl on a Train meets The Talented Mr Ripley under the Moroccan sun.

Unputdownable' The Times The perfect read for fans of Daphne du Maurier and Patricia Highsmith, set in 1950s Morocco, Tangerine is a gripping psychological literary thriller. The last person Alice Shipley expected to see since arriving in Tangier with her

new husband was Lucy Mason. After the horrific accident at Bennington, the two friends - once inseparable roommates - haven't spoken in over a year. But Lucy is standing there, trying to make things right. Perhaps Alice should be happy. She has not adjusted to life in Morocco, too afraid to venture out into the bustling medinas and oppressive heat. Lucy, always fearless and independent, helps Alice emerge from her flat and explore the country. But soon a familiar feeling starts to overtake Alice - she feels controlled and stifled by Lucy at every turn. Then Alice's husband, John, goes missing, and Alice starts to question everything around her: her relationship with her enigmatic friend, her decision to ever come to Tangier, and her very own state of mind. *Tangerine* is an extraordinary debut, so tightly wound, so evocative of 1950s Tangier, and so cleverly plotted that it will leave you absolutely breathless.

daily ways in which an awareness of God changes and infuses everything. It is about spiritual life, and about all the things that we have called nonspiritual life that might be spiritual after all. It is the snapshots of a young woman making peace with herself and her life, and trying to craft a life that captures the energy and exuberance we long for in the midst of the fear and regret and envy we all carry with us. It is both a voice of challenge and song of comfort, calling us upward to the best possible life, and giving us room To breathe, to rest, to break down and break through. Cold Tangerines offers bright and varied glimpses of hope and redemption, in and among the heartbreak And boredom and broken glass.

"An excellent book by a genius," said Kurt Vonnegut, Jr., of this now classic exploration of the 1960s from the founder of new journalism. "This is a book that will be a sharp pleasure to reread years from now, when it will bring back, like a falcon in the sky of memory, a whole world that is currently jetting and jazzing its way somewhere or other."--Newsweek In his first book, *The Kandy-Kolored Tangerine-Flake Streamline Baby* (1965) Wolfe introduces us to the sixties, to extravagant new styles of life that had nothing to do with the "elite" culture of the past.

"Followers and newcomers to Nhat Hanh's teaching alike will find this collection inspiring for everyday practice and for social engagement in the world."—Publishers Weekly This collection of autobiographical and teaching stories from peace activist and Zen Master Thich Nhat Hanh is thought

provoking, inspiring, and enjoyable to read. Collected here for the first time, these stories span the author's life. There are stories from Thich Nhat Hanh's childhood and the traditions of rural Vietnam. There are stories from his years as a teenaged novice, as a young teacher and writer in war torn Vietnam, and of his travels around the world to teach mindfulness, make pilgrimages to sacred sites, and influence world leaders. The tradition of teaching the Dharma through stories goes back at least to the time of the Buddha. Like the Buddha, Thich Nhat Hanh uses story-telling to engage people's interest so he can share important teachings, insights, and life lessons.

The Mindful Teacher's Toolkit gives educators clear directions to develop their own mindful or awareness-based practice and ideas for how to embody and integrate these practices in their teaching. The combination of activities, guidance and real-life examples provide mindful teachers with a toolkit of everything they need to be able to develop their own mindful classroom.

Best friends Haley and Taylor must deal with a terrible loss when Taylor's twin sister, Dylan, is killed in a car crash. Meanwhile, Taylor and Dylan's father, a senator running for president and supposedly somewhere on the campaign trail, can't be reached because he is in the arms of a prostitute. While the girls and the twins' mother try to recover and avoid the press in New Zealand, Nick Nesbitt, a television news reporter, senses a story and will stop at nothing to get it.

The Wisdom of the Chinese Kitchen, with its 150 recipes culled from a lifetime of family meals and culinary instruction, is much more than a cookbook. It is a

daughter's tribute -- a collection of personal memories of the philosophy and superstitions behind culinary traditions that have been passed down through her Cantonese family, in which each ingredient has its own singular importance, the preparation of a meal is part of the joy of life, and the proper creation of a dish can have a favorable influence on health and good fortune. Each chapter begins with its own engaging story, offering insight into the Chinese beliefs that surround life-enhancing and spiritually calming meals. In addition, personal family photographs illustrate these stories and capture the spirit of China before the Revolution, when Young's family lived in Canton, Shanghai, and Hong Kong. The first part, "Mastering the Fundamentals," provides instruction on the arts of steaming and stir-frying; the preparation of rice, panfried, and braised dishes; the proper selection of produce; and the fine arts of chopping and slicing. Part Two, "The Art of Celebration," concentrates on the more elaborate, complex, and meaningful dishes -- such as Shark's Fin Soup and West Lake Duck -- that are usually made with rare ingredients, and sweets such as Water Chestnut Cake and Sesame Balls. The final part, "Achieving Yin-Yang Harmony," explores the many Chinese beliefs about the healing properties of ginseng, ginkgo nuts, soybeans, dong quai, and the many vegetable and fruit soup preparations that balance and nourish the body. The stories and recipes combine to demonstrate

the range of Cantonese cooking, from rich flavors and honored combinations to an overall appreciation of health, well-being, and prosperity. In addition to the recipes, Young provides a complete glossary of dried herbs, spices, and fresh produce, accompanied by identifying photos and tips on where to purchase them. Unique traditional dishes, such as Savory Rice Tamales and Shrimp Dumplings, are also illustrated step by step, making the book easy to use. The central full-color photo section captures details of New Year's dishes and the Chinese home decorated in celebration, reminding one that these time-honored traditions live on, and the meals and their creation are connections to the past.

Syrian immigrant Khadra Shamy is growing up in a devout, tightly knit Muslim family in 1970s Indiana, at the crossroads of bad polyester and Islamic dress codes. Along with her brother Eyad and her African-American friends, Hakim and Hanifa, she bikes the Indianapolis streets exploring the fault-lines between "Muslim" and "American." When her picture-perfect marriage goes sour, Khadra flees to Syria and learns how to pray again. On returning to America she works in an eastern state -- taking care to stay away from Indiana, where the murder of her friend Tayiba's sister by Klan violence years before still haunts her. But when her job sends her to cover a national Islamic conference in Indianapolis, she's back on familiar ground: Attending a concert by her brother's interfaith band The Clash of Civilizations, dodging questions from the "aunties" and "uncles," and running into the recently divorced Hakim everywhere. Beautifully written and featuring an exuberant cast of characters, *The Girl in the Tangerine Scarf*

Bienvenido a Tangerine. Este lugar es más raro de lo que parece. Paul Fisher ve el mundo a través de anteojos tan gruesos que parece un insecto del espacio exterior. Pero no está tan ciego como para no ver que hay algunas cosas muy

poco normales en la nueva casa de su familia, en el condado de Tangerine, Florida. ¿En dónde más un socavón se traga la escuela de la localidad, el fuego arde debajo de la tierra por años y caen rayos a la misma hora todos los días? Con todo este caos, mezclado con el acoso constante de su hermano —quien es una estrella del fútbol americano—, acoplarse a la vida en Tangerine no es fácil para Paul. Hasta que se une al equipo de fútbol de la escuela media donde estudia. Con la ayuda de sus nuevos compañeros de equipo, Paul descubre lo que se esconde bajo la extraña superficie de su nuevo lugar de residencia. Y también obtiene el coraje para enfrentar algunos de los secretos que su familia le ha estado ocultando por demasiado tiempo. En Tangerine, tal parece, cualquier cosa es posible.
