Forget about David Copperfield, cruise ship illusionists, and birthday party magicians. They're so old school, so 20th century. The conjuring that people starting out in magic today want to do is edgier, grittier, quick, visual, and maybe a little dangerous - magic to the max. Welcome to the world of street magic! The Complete Idiot's Guide to Street Magic will teach you how to do it! Even some of the simplest stunts, if performed effectively, have the same strong potential to amaze onlookers as the more challenging feats. Out of the literally thousands of tricks that can be included, only those that are the most direct and have the greatest impact, both visually and psychologically, will appear in the book. Each magical effect will be rated on a scale from one-to-three stars, easy to difficult, according to how hard it is to learn and/or to perform.
