

The Kingdom Of God

De Obeliskpoort is het tweede deel van N.K. Jemisins prijswinnende trilogie De Gebroken Aarde. Een genrebekende roman over klimaatverandering, rassenscheiding en onderdrukking in een wereld waarin meedogenloze natuurkrachten complete beschavingen wegvagen. Het laatste Seizoen is van start gegaan, en de mensheid vervaagt langzaam in de lange, donkere nachten en de dikker wordende asregens. Essun – voorheen Damaya, voorheen Syenite, nu wreker – heeft een schuilplaats gevonden. Maar haar dochter is nog steeds vermist. In plaats daarvan is er Alabaster Tienring – gek, wereldvernietiger, verlosser – met een verzoek dat alleen Essun kan inwilligen. Een verzoek dat het lot van de Stilte voor goed kan bezegelen. Het verhaal gaat verder met een verdwenen dochter, gevonden door de vijand, en in krachten groeiende. Een dochter wiens keuzes de wereld kunnen breken. Het gaat verder met de machtige obeliskken, immer aanwezig, zwevend boven het aardoppervlak als zwijgende kolossen, en een eeuwenoud mysterie dat eindelijk samenkomt. ‘Verbluffend mooi, alweer.’ Kirkus (met ster) ‘Jemisins vervolg op Het Vijfde Seizoen is uitzonderlijk.’ Library Journal (met ster) ‘Fascinerend, uitdagend en buitengewoon spannend.’ Publishers Weekly (met ster) The Kingdom of GodThe Biblical Concept and Its

"An excellent introduction to the prophets and the prophetic literature . . . The goal of the book is to understand the thought of the prophets in their historical contexts, and to communicate that understanding for our time. Its approach, while innovative, builds upon the best of contemporary analysis of the prophetic literature." --Gene M.

Tucker Candler School of Theology Emory University "Koch's first volume on the prophets of ancient Israel displays his sound and creative scholarship and will fill a bibliographical gap. He displays the individuality of each prophet with perceptive insight, but he also compares and interrelates them in his various summaries.

Furthermore, Koch relates his study of individual prophets to theological currents that have been flowing through the scholarly world in recent decades." --Bernhard W. Anderson Princeton Theological Seminary

The Kingdom of God is from eternity past to eternity future. The Kingdom of God is embodied in Almighty God Himself. The authority of God that rules the universe has always existed beyond the realms of time and space and rules in the realm of the spirit as well as the physical universe. It is this kingdom which God chooses to establish in the hearts and lives of His people throughout the ages. Our lives are dictated by choices, which God intends to

correspond to His will and His purposes for His creation. When Jesus Christ came to the earth, He introduced the Kingdom of Heaven. The Kingdom of Heaven is a dispensation within the Kingdom of God, which includes the church (the building of the Body of Christ) and the millennial age (which begins at Christ's return to earth). We will reign with Jesus as rulers in God's Kingdom for all eternity. We hope that this book gives some insight into the Kingdom of God, as described in God's Holy Word, the Bible. We hope that we gain a greater relationship with and a greater understanding of Jesus Christ as God's appointed King. We pray that we gain a greater understanding of our spiritual authority as joint heirs with Jesus Christ in God's Kingdom. We will use this divine authority to tear the devil's kingdom down, to reclaim territory, to preach the gospel of the Kingdom of God and His Christ, to heal every sickness and disease among people, and to restore the Kingdom of God back to its rightful place of highest supremacy in the earthly realm. Pray with us as we move the Kingdom of God agenda forward during this age in which we now live.

After proclaiming that God's Kingdom had come near, Jesus died on the cross. This is hard to reconcile with what Jesus announced at the start of his ministry. It can only be understood when we realize the relationship between the Kingdom of God and his death. Jesus said flesh and blood can't inherit the Kingdom of God, but only those who are born of the Spirit, and for this reason Jesus had to die on the cross. Jesus explained this to Nicodemus that only those who are born of the Holy Spirit can enter into the Kingdom of God. He came into the world to make it happen, because without the cross of Jesus there is no fulfillment of the Kingdom. The proclamation of Jesus, his works and his life have strong bearing on his mission. Jesus proclaimed that the Kingdom of God had come near. He healed the sick, fed the hungry and gave hope to the poor. He lived a very basic life with his disciples and had no earthly possessions. This was the Kingdom that Jesus proclaimed. It gave the power back to the people, it gave them dignity and a life of joy and contentment. It was about the wellbeing of the whole community and where the leaders served others. Jesus explained the mysteries of his Kingdom

through many parables, which turned the whole concept of the kingdom on its head and only a few were able to understand it then, as it is now. It was a new and unique concept for the disciples to grasp, but after his resurrection when he was with them for forty days, Jesus explained everything to them as recorded in the book of Acts. He instructed them to remain in Jerusalem till they were baptized by the Holy Spirit. Their empowerment which is usually understood in terms of Peter's bold preaching of the gospel was in fact more than that. It was to give them the courage to leave their earthly possessions and relationships and accept the other believers as their new family, where God lived with them and looked after their daily needs, spiritual as well as material. This was a very bold step for them to take. It was more daring than standing up to preach before a large crowd on the day of the Pentecost. The first church in Jerusalem became a place where God's Kingdom had come. They rejoiced together as they shared everything and God did mighty works among them. This would not have been possible, if they hadn't left their own families and possession to join the new community of God's people. The church lost the initial impetus that the early Christians had, in the way they lived and preached the good news of the Kingdom, especially during the post-Constantine period when the church leaders were seduced by the wealth that came from the state treasury. The way

Jesus, the apostles and the early Christians had lived was completely forgotten or overlooked. The sixteenth century reformation tried to recover some of the important aspect the Christianity but it did not go far enough. At present the church has become its own worst enemy. Some churches are trying to destroy the very foundation of our salvation by denying the existence of historical Jesus. In others the faith in Jesus has failed to translate into a living reality. It judges the world harshly and does not reflect the values of God's Kingdom in its daily life. We need to reaffirm the apostolic faith and the community life of the early church. And become a community of God's redeemed people who follow the principles of his Kingdom. This is the true life and witness of the church.

God's Abundant Life is Within You! Scripture is clear that God will meet your every need. Peace, health, and financial provision are all free for the asking. But why is daily life for so many Christians marked by anxiety, sickness, and lack? Bill Winston believes it is because many believers fail to live in the reality of the Kingdom within. Bestselling author and nationally known pastor of one of America's fastest-growing churches, Bill Winston teaches that God has already deposited supernatural power and provision within every follower of Jesus. Unfortunately, our reality is often governed more by the enemy's lies than by God's Kingdom truth. In this newly revised and

updated edition of *The Kingdom of God in You*, Dr. Winston reveals how you can escape the prison of the enemy's deception and experience the Kingdom power in you. Within these pages, you will discover... A fresh revelation of the power of God's Kingdom on earth How to operate in Kingdom principles to meet your every need A power for daily living that far exceeds self-reliance or personal effort This book is a must-read for every Christian. If you long to experience all that Jesus makes possible, take hold of *The Kingdom of God in You!*

He is considered one of the greatest novelists in any language in all of human history, but Leo Tolstoy was also an influential social reformer and peace advocate. Subtitled "Christianity Not as a Mystical Teaching but as a New Concept of Life," this powerful exploration of the preachings of Jesus from a pacifistic perspective. First published in 1893, it introduced such important 20th-century figures as Mahatma Gandhi and Martin Luther King to the concept of nonviolent resistance. This edition is vital reading for anyone wishing to understand the history of protest around the world or gain a deeper appreciation of pacifistic Christianity. Russian writer COUNT LEV ("LEO") NIKOLAYEVICH TOLSTOY (1828-1910) is best known for his novels *War and Peace* (1869) and *Anna Karenina* (1877). Translation by Harvard professor of Slavic languages, Leo Weiner (1862-1939).

If the Bible uses words like these, then our lives should exude that same biblical vitality. After all, Jesus "partied" with sinners; not in a boisterous unruly manner, but in the spirit of the Old Testament Jubilee in which people acquired a new lease on life. What was important then, and remains so now, is the celebratory attitude that should set Christians apart from the rest of the world.

The future hope of heaven is pulled into the here-and-now in this illuminating description of the kingdom of God. Popular teacher and author R. Alan Streett exposes half-truths about the kingdom that many believers have unwittingly accepted. He contrasts these with the testimony of Scripture: Jesus inaugurated the kingdom of God on the earth—it has already begun. As ambassadors of the kingdom, we are to fulfill our responsibilities and enjoy its benefits here and now. Salvation does not culminate with the soul escaping the body and living forever in heaven. Our bodies will eventually be transformed, and we will live with God on a restored earth. The church is like an embassy of heaven in a foreign country. In their life together, believers demonstrate kingdom realities to the world. Readers will find hope and direction in this fresh presentation of the historic teaching on the kingdom.

From the first moment that he proclaims the Kingdom of God, Jesus appeals to our imagination. He makes that appeal through the parables of the kingdom, the paradoxes of the gospel, the enigmatic and beautiful signs he gave in his miracles and in those moments when the heavens open and the ordinary is transfigured, seen in an utterly new light. In this book Guite revisits and expands on the insights he gave in his Laing Lectures at Regent College, exploring how the creative work of poets and other artists can lift the veil a little and kindle our imaginations for Christ.

The parable of the unjust steward in Luke 16:1-13 is a unity teaching faithful stewardship of material possessions. With a

history of recent interpretation as a background, this interpretation is confirmed by examination of the pericope itself and its literary and theological contexts.

How do you put your faith to work so that God would respond to you? You might ask how God can reject us, for he is love. If you reject him, he will reject you. But Jesus died a horrible death to keep us out of a horrible place. Just thank him for what you have need of. Say it out loud to him. He is omnipotent (powerful everywhere). Thank you, Lord. I believe you can hear me and you will show me the way through life victoriously. In Jesus name, amen. There are so many healings in my life and in many others lives. There are just only millions of testimonies of what God has already done. Just grow up and be like Lord Jesus Christ. God wants to prepare you today! Dont miss it. Hear his voice. The abundant life can be yours.

Newly revised for 2021. This book is written with the intent to deepen and enhance the understanding of this topic. The title of this book is from the following scripture; 20 Now when He was asked by the Pharisees when the kingdom of God would come, He answered them and said, "The kingdom of God does not come with observation; 21 nor will they say, 'See here!' or 'See there!' For indeed, the kingdom of God is within you." "If you have not chosen the Kingdom of God first, it will in the end make no difference what you have chosen instead." William Law ----- Comments from a reader: "Where Is The Kingdom Of God?", is a fact filled account that gives the reader Biblical references to find this answer. Sharing what he knows and expressing it in terms that others may grasp, is a gift that Ken has been given. His thoughts about God's Word allow us an opportunity to better understand the message Christ was giving His disciples over two thousand years ago. Larry Bertram

This book combines a description of folk Islam, biblical perspectives, and strategies for church planting among Muslims. In his theory on Muslim evangelism, Love tackles the major issues of encountering spiritual powers, contextualization, and leadership development. Teachers of Islamic subjects and practitioners in Muslim countries enthusiastically welcome this book.

The preaching of the Gospel opens with the proclamation that the Kingdom of God is at hand. For two millennia, Christian theologians have been exploring the depths of that proclamation through reflection on both the Scriptures and on their great predecessors in the tradition. St. Thomas Aquinas stands as one of the greatest theologians of the Church but his understanding of the Kingdom has not been a major subject of investigation. Instead, Thomas' thought on the subject has been ignored or criticized. When it has been addressed, it has been approached almost entirely from the direction of Aquinas as a systematic theologian or philosopher, rather than as an interpreter of Scripture. The Biblical commentaries of Thomas have only recently experienced a resurgence of scholarly interest, and while many great scholars have produced fine work

on numerous topics, few have yet turned to the Kingdom. This dissertation seeks to correct that lacuna by examining the Kingdom in the light of Aquinas' scriptural works, especially his commentary on the Gospel of Matthew. After exploring the Kingdom as presented in that text, it looks into his other Biblical commentaries, his broader theological works, and the Matthew commentaries of his contemporaries to provide a full examination of Aquinas' kingdom doctrine in its historical and theological context. This approach not only gives us insight into how he approaches the Bible, but also reveals a fascinating, multifaceted interpretation of the Kingdom which builds on Scripture and, in conjunction with ideas from Aristotle, Pseudo-Dionysius, Johannine mysticism and the mendicant movement, constructs a vision of the Kingdom. This vision is contemplative and evangelical, internal and ecclesiastical, focused on God and others, and manifest in multiple dimensions. Yet the Kingdom for Aquinas remains fundamentally oriented towards an eschatological vision at which the full promise of humanity is revealed and God becomes all in all.

Immigration has in recent years become a hotly contested subject in public political and social discussions. Both in Europe and America, there is increased polarization, confusion, and anxiety about how to handle this challenging phenomenon. What has not been adequately discussed during these

debates, however, is the influence of immigration on religion in the host countries. The increase in the number of Moslem immigrants in the West has been raised in some publications. However, this book is among the first to examine the impact of immigration on the Christian faith from a biblical perspective. The fact is, in many Western countries today, the future of Christianity is progressively becoming dependent on immigration. Is there any biblical perspective to the phenomenon? What should be the response of Christians to the debate? And how should Christian immigrants themselves interpret their experiences in the light of the Word of God? Asumang examines the lives and experiences of the giants of the Bible to answer these questions. And his conclusions are insightful and challenging both to immigrant and non-immigrant Christians alike.

There is a difference between being a God's Kingdom woman and a woman of God. Isaiah 6:8–9: The call of God One of the tasks of the Holy Spirit is to call godly leaders in the kingdom. All men and women are "called" to God (Rom. 8:28, 30) yet only a few respond (Matt. 7:13, 14; 22:14; John 15:16). Leaders, however, experience a different kind of call and are called in different ways. • Many are called

sovereignly. Moses was singled out by God who spoke to him from a burning bush (Ex. 3:1–4, 17). The child Samuel was called while he was asleep (1 Sam. 3:1–18). Young Isaiah was worshiping in the temple when called by God (Isa. 6:1–9). • Others are called through men. Samuel went to David and anointed him with oil (1 Sam. 16:1–13). Paul instructed Titus to appoint elders in the churches of Crete (Titus 1:5). There is a difference between being a "man/woman of God"—as all are called to be, and being "God's man/woman"—one called to leadership (Matt. 16:13–20). So let's make this personal; then God said, "Let Us make _____ (put your name in there), in Our (Father, Son, and Holy Spirit) image, according to Our likeness (Gen. 1:26)." She will seek first the kingdom of God and His righteousness, and all these things will be added to her (Matt. 6:33). She shall love the Lord her God with all her heart, with all her soul, and with all her strength (Deut. 6:5). Therefore, she will pray, "Our Father in heaven hallowed be Your name, Your kingdom come, Your will be done on earth as it is in heaven (Matt. 6:9–10)." She will go through her daily activities teaching and preaching the good news of the kingdom and healing every disease and sickness (Matt. 9:35). Because she seek My kingdom, the knowledge of the secrets of the kingdom of heaven will be given to her (Matt. 13:11). I will give her the keys of the kingdom of

heaven; whatever she bind on earth will be bound in heaven, and whatever she loose on earth will be loosed in heaven (Matt.16:19). I am sending her to preach the kingdom of God and heal the sick (Luke 9:2). Do not be afraid, little flock, for your Father has been pleased to give you the kingdom (Luke 12:32). "Wow, you see how much love and thought went in to your creation?" When God says, "Let Us make man in Our image," He is not talking about a physical likeness, but a personal and spiritual likeness. He is not talking about our physical feature such as the size of our nose, the shape of our head, or our skin color. Man has intellect, emotions, and will. We are a creative being. These are some characteristics of God that are shared by man. We, are not reaching our full potential because we have not realized Whose DNA we have. Therefore, we have unresolved issues that may have started from in the womb. God's Kingdom Woman takes you back to the Garden of Eden to get your healing. You will realize that it does not matter your entrance into this world but, only that you fulfill the mandate of Christ, which is to establish His kingdom on earth. As it is in heaven so shall it be on earth. Sis, if you are reading this book, God is calling you to complete your assignment as a God's Kingdom Woman. But seek first the kingdom of God and His righteousness, and all these things shall be added to you." (Matt. 6:33) What is the kingdom of God? Now when He was

asked by the Pharisees when the kingdom of God would come, He answered them and said, “The kingdom of God does not come with observation; nor will they say, see here! Or see there! For indeed, the kingdom of God is within you (Luke 17:20–21).” The kingdom of God is the spiritual reality and the dynamics available to each person who receives Jesus Christ as Savior and Lord. To receive Him—the King—is to receive His kingly rule, not only in your life and over your affairs, but through your life and by your service and love. “The kingdom of God is within you,” Jesus said. A woman of God operates mostly from the outside

Confusion abounds among Christians today because so many believe they must postpone the reality of the Kingdom of God until some distant future or that they must wait until they die. *How to Live in the Kingdom of God* addresses the questions of what, where, when and even why with regards to the Kingdom of God. Believers today, as they enter the millennium, hunger for the deeper understandings about the Kingdom that this book offers. The Scriptures declare the Kingdom of God is a present reality in which we can partake. Readers of this book will learn the three levels of Christian maturity, how they relate to the three feasts and how to apply them to their daily Christian walk.

What was Jesus main passion? What occupied the centre of his message? What did he really teach and preach? There was nothing more central, passion-driving, and life-consuming for Jesus than the message of the kingdom. It must be noted that things like healing and the casting out of demons were all the integral part of the message of the kingdom. Jesus never classified them as a ministry of their own. The Lords pattern in ministry reveals this: And Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all manner of sickness and all manner of disease among the people (Matt. 4:23). Jesus was teaching the message of the kingdom, declaring I am a king whose kingdom does not take its root from the social, economic, and the political

structure of this world. In response to the question as to whether Jesus is a king, he admitted so by saying, To this end was I born. In other words, the only major reason why I am born is to be a king. The wise men from the East did not come looking for a child but for a king that was born. The famous prayer starts with Thy kingdom comethe kingdom of God can as well be described as that moral and spiritual kingdom which the God of grace is setting up in this fallen world, whose subjects consist of as many as have been brought into hearty subjection to his gracious authority, and of which his Son Jesus is the glorious head. This book seeks to explain, explore, and provide insight into the present spiritual reality of the kingdom of God.

The book simplifies prayer and provides an understanding of the importance of prayer in the Kingdom God. God's plan is that His will be done on earth as it is in heaven through the church. This book encourages and teaches the believer how to pray. It examines how to enter into Gods presence to get results, fight the good fight of faith and establish the kingdom of God wherever we find ourselves. The book concludes by considering the believer's weapon of war provided by scriptures to obtain victory and enter into the rest purposed by God.

"The author's style is clear and arresting. Ancient situations are made more understandable to the general reader by apt comparisons with American history and religious life. The practical applications are not platitudinous but prophetically searching.

Het Vijfde Seizoen is het eerste deel van N.K. Jemisin's prijswinnende trilogie *De Gebroken Aarde*. Een genrebrekende roman over klimaatverandering, rassenscheiding en onderdrukking in een wereld waarin meedogenloze natuurkrachten complete beschavingen wegvagen. In *Het Vijfde Seizoen* volgen we drie vrouwen met een speciale gave die de natuur kunnen beïnvloeden, maar ook aardbevingen kunnen veroorzaken. 'Een ambitieus boek... Jemisin's werk is deel van een langzame, maar definitieve wijziging in het sciencefiction- en fantasylandschap.' *Guardian*

This controversial book explores the presence of the fantastic in Biblical and related texts, and the influence of Biblical traditions on contemporary fantasy writing, cinema, music and art. The contributors apply a variety of critical concepts and methods from the field of fantasy studies, including the theories of Tolkien, Todorov, Rosemary Jackson and Jack Zipes, to Biblical texts and challenge theological suppositions regarding the texts which take refuge in science or historiography. *Violence, Utopia and the Kingdom of God*

presents a provocative and arresting new analysis of Biblical texts which draws on the most recent critical approaches to provide a unique study of the Biblical narrative.

The idea of the United States as a Christian nation is a powerful, seductive, and potentially destructive theme in American life, culture, and politics. Many fundamentalist and evangelical leaders routinely promote this notion, and millions of Americans simply assume the Christian character of the United States. And yet, as Richard T. Hughes reveals in this powerful book, the biblical vision of the "kingdom of God" stands at odds with the values and actions of an American empire that sanctions war instead of peace, promotes dominance and oppression instead of reconciliation, and exalts wealth and power instead of justice for the poor and needy. With conviction and careful consideration, Hughes reviews the myth of Christian America from its earliest history in the founding of the republic to the present day. Extensively analyzing the Old and New Testaments, Hughes provides a solid, scripturally-based explanation of the kingdom of God--a kingdom defined by love, peace, patience, and generosity. Throughout American history, however, this concept has been appropriated by religious and political leaders and distorted into a messianic nationalism that champions the United States as God's "chosen nation" and bears little resemblance to the teachings of Jesus. Pointing to a systemic biblical and theological illiteracy running rampant in the United States, Hughes investigates the reasons why so many Americans think of the United States as a Christian nation despite the Constitution's outright prohibition against establishing any national religion by law or coercion. He traces the development of fundamentalist Christianity throughout American history, noting especially the increased power and widespread influence of fundamentalism at the dawn of the twenty-first century, embodied and enacted by

the administration of President George W. Bush and America's reaction to the terrorist attacks on September 11, 2001.

Nationally known pastor, Bill Winston brings this powerful message of God's provision, healing, and more that is already resident in the believer and available to those who will seek God's direction. If the Kingdom of God is in us, why aren't we living lives of greatness in our world? Bill Winston recognizes that there are two kingdoms at work in this world, and tragically, even within the church, the majority of people are still living under the destructive lies and patterns of Satan's rule. They don't have the power and provisions of God - wisdom, understanding, peace, joy, health, abundant material provision, life-changing ministry, and so much more - because they simply have not recognized the kingdom in them. The promises of God rarely come from some outside sovereign work of God, but from the kingdom already inside. The pastor of one of America's fastest growing churches, Winston helps believers to start walking their faith out in miraculous ways. Why? We have a power within us that is supernatural and flies in the face of the world's arrogant - but ultimately inadequate - self-reliance on human understanding and effort. With the faith of a child, even as small as a mustard seed, we unleash God's provision and power in our lives not by focusing on what we want, but by asking what the King of the Kingdom, God Almighty, wants us to accomplish. We quickly discover that our "grand dreams" and aspirations are miniscule in light of the greatness He has in store for us to do. This book is not for Christians who are complacent and desire the status quo. This is a soul-changing book that will turn the timid into the bold, and result in miracles that will build God's Kingdom right here and right now.
